COSMIC AWARENESS is the Force that expressed itself through Jesus of Nazareth, the Buddha, Krishna, Mohammed, Edgar Cayce and other great avatars who served as 'Channels' for the 'Heavenly Father' and who speaks again today as the world begins to enter the New Age of spiritual consciousness and awareness. Since 1963 Cosmic Awareness has been communicating through certain carefully-trained channels. The information contained herein was received from deep, super-conscious trance states and 'interpreted' by an entity affiliated with C.A.C. This information is for those who desire to help in bringing in the New Age and those who shall inherit the New Age. Throughout the many thousands of 'Readings' given through these channels, Cosmic Awareness repeatedly tells us not to believe anything, but to question, explore, doubt, and discover for yourself, through your own channel, what is the truth. Cosmic Awareness will only indicate and suggest. Members of Cosmic Awareness Communications are invited to send in questions of general interest for possible publication in this Newsletter.

From a C.A.C. General Reading, August 9, 1979
(Paul Shockley, Trance-Interpreter)

This Awareness indicates that as the information from the Fall of '78 through the Spring of '79 has basically been of such an unveiling nature that the majority of skeptics can, if they choose, classify all of this as being but 'insane babble'—this Awareness may as well continue releasing this information at this time, and accept the reputation of being incredible in terms of human consciousness.

This Awareness suggests that this is acceptable to this Awareness, that *It* simply hopes that it will open up areas of the mind of mass consciousness upon this plane so that it can look deeply at other possibilities in terms of its frame of reference, and perhaps move out of its previous stagnation and belief-systems based on the spring-fed ignorance of those 'authorities' who have attempted to hide and shelter reality from the public.

This Awareness indicates it is time for veils to be lifted, the curtain to open, the lights to turn on, and the show to begin.....

For the dawning of the *Age of Enlightenment* is here.

EDITOR'S NOTE: During the past few years, many questions were asked in the monthly C.A.C. general readings, most of which were sent in by the membership, which referred to the UFO phenomenon. In many cases, Awareness informed us that if *It* gave too much information on this subject, and we published it, that the Interpreter and the staff of C.A.C. would undoubtedly be killed. *It* promised that in time, when the time was right for the release of such material, more would be presented. Over the years, certain questions were answered which Awareness requested to be 'classified' and to be released later when more UFO information was presented. There were many questions which were answered, some of which related to the astounding phenomenon of the cattle mutilations in the Western states, the strange and unexplained booming sounds off the Atlantic coast, questions relating to Bigfoot (the Sasquatch), the Bermuda Triangle, the Hollow Earth etc. All of this material is being compiled into a booklet which will be offered to the membership later on (for some suggested donation). However, this reading comprises the important information about the UFO's in relation to the previous information already published about the Beast and its plan to enslave this planet. This information also ties into certain information on Jehovah, the Immortal Real of Hades etc. which has also been previously published by this organization. Discerning readers will be able to put much of this information together after reading this particular UFO reading. It also will help to make more sense out of what has occurred behind the scenes in Washington D.C. during the Spring of 1979 when the Russian agents begun the dismantling of the Beast structure by executing those in power who were about to launch a nuclear war against the Soviet Union. Much of this information relating to the 'Synthetics' (humanoids being created in the mountains of Nevada and working for the forces of the Beast) was released to certain key people in the United States in the Fall of 1978, with instructions from Cosmic Awareness to release that information far and wide in the event these communications from C.A.C. and the Interpreter, Paul Shockly, should be disrupted (this being the actual tape of the trance information). Cosmic Awareness has now given permission to release this information, particularly since Dr. Beter has revealed the information on the organic Robotoids now masquerading as President Carter and all those others we see on television and read about in the papers who ostensibly are running the government of the United States. Awareness has revealed that the executions are still going on behind the scenes in Washington—the assassins now moving through the military and almost in total control. The plot of the Rockefeller-Rothschild Beast conspiracy to destroy the economy of the United States is being allowed by the Russians to occur. Information on all this has been previously published by C.A.C., the scenario of which can be found in the *Gathering Storm* material ($4.00 available from C.A.C.) Although this sinister plot appears mainly to be the work of these greedy, power-hungry bankers to enslave humanity with their 'One World Government', it goes much further than that—cosmic implications reaching back thousands of years and 'Star Wars' type battles between the Dark Forces and the Light Forces for control of the planet earth. The infiltration of these Dark Forces into this plane, working through the Rockefeller–Rothschild banking systems which Awareness refers to as the Illuminati or the Beast, reached its high-point in the Spring of 1979 when the Biblical *Battle of Armaggedon* was to occur when the United States was about to embark on its planned 'First Strike' nuclear war against the Soviet Union and the oil fields of Saudi Arabia. According to Cosmic Awareness, this battle was fought behind the scenes and the holocaust was prevented. Now it is just a matter of time before the Russians, now completely in power of our government, will make their presence known to the masses. The publication and dissemination of this UFO reading may help to explain these bizarre happenings to the sleeping populace when this revelation by the Russians is made public.

According to Awareness, there is still a danger of these UFO agents who work for the Beast, to create problems. For this reason, Awareness has said this information must 'be spread far and wide as quickly as is possible'. This will not only help inform the public of what is occurring, but will probably prevent any harm coming to the Interpreter of this material and C.A.C. There is no benefit in closing the barn doors after the horses have been released. With this in mind, all members are requested to duplicate this material immediately and send copies to friends, newspapers, government personnel etc. SPIRAL organizations are also requested to duplicate and send out this information. We know it sounds weird and bizarre (we have not even got used to the idea of organic robotoids yet), but Cosmic Awareness has been communicating with this plane since 1963, most of which has been deeply spiritual information, and as far as we know nothing Awareness has indicated in these readings has been proven untrue. If for no other reason, *it behooves us to pay attention to this information now being released and to do what we can to spread it around.*

I have taken the liberty of culling certain excerpts from previously-published readings and from some not yet published. It is important that if we are to understand the UFO phenomenon and why Russian robotoids are in control of the United States, we need to understand the role played by Jehovah, the Hebrew race, and how the Dark Force used these entities and the banking systems to almost (but not quite) bring about an enslavement of humanity upon this plane. The role of Jesus in thwarting the sinister plans of Jehovah is also covered in this report. The basic information Awareness asks us to spread far and wide begins after the introductory material, beginning with the section on how UFO aliens have infiltrated our government. (You may wish to read that first).

MORE ABOUT ORGANIC ROBOTOIDS

(Excerpt from C.A.C. General Reading Given August 7th, 1979)

QUESTION:

We're starting to get questions in about organic robotoids, and I thought maybe if I asked a couple, it might be sufficient. D.W . of Ridgefield, Washington, wants to know if these robotoids have an aura...?

COSMIC AWARENESS:

This Awareness indicates that this around the heart chakra only.

QUESTION:

Do these robotoids become inhabited by spirits or other entities?

COSMIC AWARENESS:

This as negative, except in rare instances whereby certain forces might penetrate briefly. This Awareness indicates these creatures as not being suitable for the complete embodiment of a disembodied spirit—that the metabolism of these creatures is such that the disembodied spirit would not enjoy being involved inside such a creature, except very briefly. This Awareness indicates this much likened unto a spirit inhabiting an animal for a brief time. This Awareness is referring to human spirits, and assumes the questioner is also referring to this.

QUESTION:

That is correct. Organic robotoids, apparently having the facility to think like humans, must therefore have some form of life-force similar to that which motivates humans. Is that correct?

COSMIC AWARENESS:

This Awareness indicates this essentially correct—that these creatures do not have a self-awareness, except when this self-awareness is programmed into them. This as a kind of awareness similar to that of a plant, except when programmed to be self-aware. This Awareness indicates that the programming of behavior being that which is implanted into these creatures, according to the memory pattern from the predecessor. This Awareness indicates that the creatures themselves carry certain subconscious programmings similar to that of an entity who is in a kind of coma or zombie-like state. The entities' basic functions and basic responses carry through in the DNA cell memory, but the general programming of behavior and personality will occur from the implanting of the memory of the predecessor—this through the methods described by Dr. Beter in his June '79 tape.*

This Awareness wishes entities to understand that throughout the universe creatures of this type exist in various places. This Awareness reminds entities of previous readings* wherein it explained the experiments of Jehovah in the process of creating Adam and Eve. This Awareness indicates also in a reading given approximately one year ago, this Awareness released information regarding synthetics—these also are beings upon this earth created as doubles—this information released to certain key figures across this nation, was not made public because of the danger involved to the staff of C.A.C. and the Interpreter, but was released to certain entities to hold for release within one year unless otherwise indicated. This Awareness indicates that this information may now be released. This Awareness suggests this be released along with this present question and answer as an introduction to the reading on UFOs—this to follow the reading previously given before this particular reading. This may be released anytime after early September.

ED's Note: This material is included in this UFO reading.
References referred to in this reading by Awareness may be found at the end of this reading.

CARTER FAMILY AND OTHERS EXECUTED WAS MURDER FOR SELF-DEFENSE

(Amy a Victim of Circumstances)

QUESTION:

Disregarding the original motive for creating a robotoid of a certain entity, is there any violation anywhere in consciousness to that entity who was removed when the robotoid was created?

COSMIC AWARENESS:

This Awareness indicates this as having been murder. This Awareness indicates this in the case of many of these entities removed. This Awareness indicates these entities in many cases working for that which would have brought about the death, mahem, genocide, murder of thousands, hundreds of thousands, or millions upon this earth through the planned nuclear war—cannot be forgotten, and though the death of these entities is a serious violation to them personally, they planted the seeds for this result in their motives prior to their death, and had this not occurred, it would have been such that masses would have been sacrificed in order to feed the appetites of those who have been replaced by these organic robotoids; therefore this may be considered as self-defense.

This Awareness indicates that in some situations, those replaced were victims of circumstance, such as the entity Amy Carter. This Awareness indicates that the circumstance being that she was a member of the family. This Awareness indicates that the alternative could have been such that entitites now living would have sacrificed their own children to the appetite of those forces which were pushing frantically for nuclear war against Russia as a last desperate—utterly desperate—attempt to gain world power and control this planet for the Alien Force. This Awareness wishes entities to understand that which this Awareness has referred to as the Beast, that which Dr. Beter has referred to as the Bolsheviks, these forces as being essentially controlled by Alien Forces not of this world, that the information released on the tape of the synthetics will explain this further.

QUESTION:

Then when a robotoid burns itself out and essentially dies, is there any form of soul-stuff that emerges and goes into consciousness that might be identified with the original entity whom it replaced?

COSMIC AWARENESS:

This Awareness indicates this as very little—this similar to ectoplasm, or the electromagnetic field of energy that might emit from a hand or finger seen under Kirilian photography. This Awareness indicates there is an energy which is released from these beings, that this also may be similar to energy which is held in plants. This Awareness indicates this may be somewhat stronger in the robotoid.

ROBOTOIDS ARE CREATURES WITHOUT SOULS
(Not Human Beings)

This Awareness suggests that the robotoid does not have a complete development of soul, but does have certain spirit energies—this similar to what might be termed an elemental. This Awareness indicates these creatures in time can be perfected scientifically through other means whereby exact duplicates with potential for reproduction and human development could be made—this being closer to that which Jehovah created on Mars as Adam and Eve, and this as being closer to that which this Awareness referred to as synthetics. This Awareness suggests the synthetics live longer than robotoids, that the synthetics have been created by extra-terrestrials rather than Russians.

THIS INFORMATION TO BE SPREAD RAPIDLY

This Awareness indicates that the release of this information must be spread rapidly. This Awareness suggests that this be duplicated by all who will duplicate the information of the synthetics. This Awareness indicates there will be some repercussions—that basically this will be nothing more than the labeling which entities enjoy doing of C.A.C. as a crackpot organization, therefore the staff may be prepared to handle such information.

This Awareness suggests that the purpose of releasing this information at this time is to alert entities upon this plane about the conditions which were occurring last Fall, and which were using the Illuminati and the Beast in order to take control of this planet. This Awareness indicates that essentially the forces behind the Russian Robotoids are those which are sponsored by forces which understood the basic danger and nature of these synthetics, and their extra-terrestrial masters. This Awareness indicates that this information has been available to many entities, but these entities have known not to release this information regarding synthetics until the atmosphere and time was appropriate. This Awareness indicates that Dr. Beter having opened up this area, has made it possible for this information to be released. This Awareness indicates that approximately one year ago, this Awareness indicates that *It* wished this information to be withheld for approximately one year.

QUESTION:

Is there any longer a threat to entities on this plane by those synthetics?

COSMIC AWARENESS:

This Awareness indicates that the Alien Force will begin evacuting this planet around October of this year—this during the meteor showers from the direction of Orion. This Awareness indicates that these entities use these meteor showers as cover to avoid the Intergalatic Space Confederation, who have quarantined this planet in an effort to contain these entities and to capture and control them.

'The Men in Black' are Evacuating this Planet

QUESTION:

Then that means that essentially the so-called 'Men in Black' whom the UFO people have written about for so long will no longer be lurking around on this plane?

COSMIC AWARENESS:

This Awareness indicates this in the affirmative—that this may continue for some time, but that essentially the forces are being diminished. This Awareness indicates that not all of these forces will escape from this planet—these forces essentially presently jockeying for position in order to find a way out and those who can escape, will; others will fare as well as possible in the conditions upon this planet in future times.

QUESTION:

Does that also apply to those entities and elementals Awareness has indicated exist within the center of the earth?

COSMIC AWARENESS:

This Awareness indicates this in reference to the so-called Deros—that these entities may also experience the controls from the Intergalatic Space Confederation as these forces move to clean up this planet from its dark alien energies.

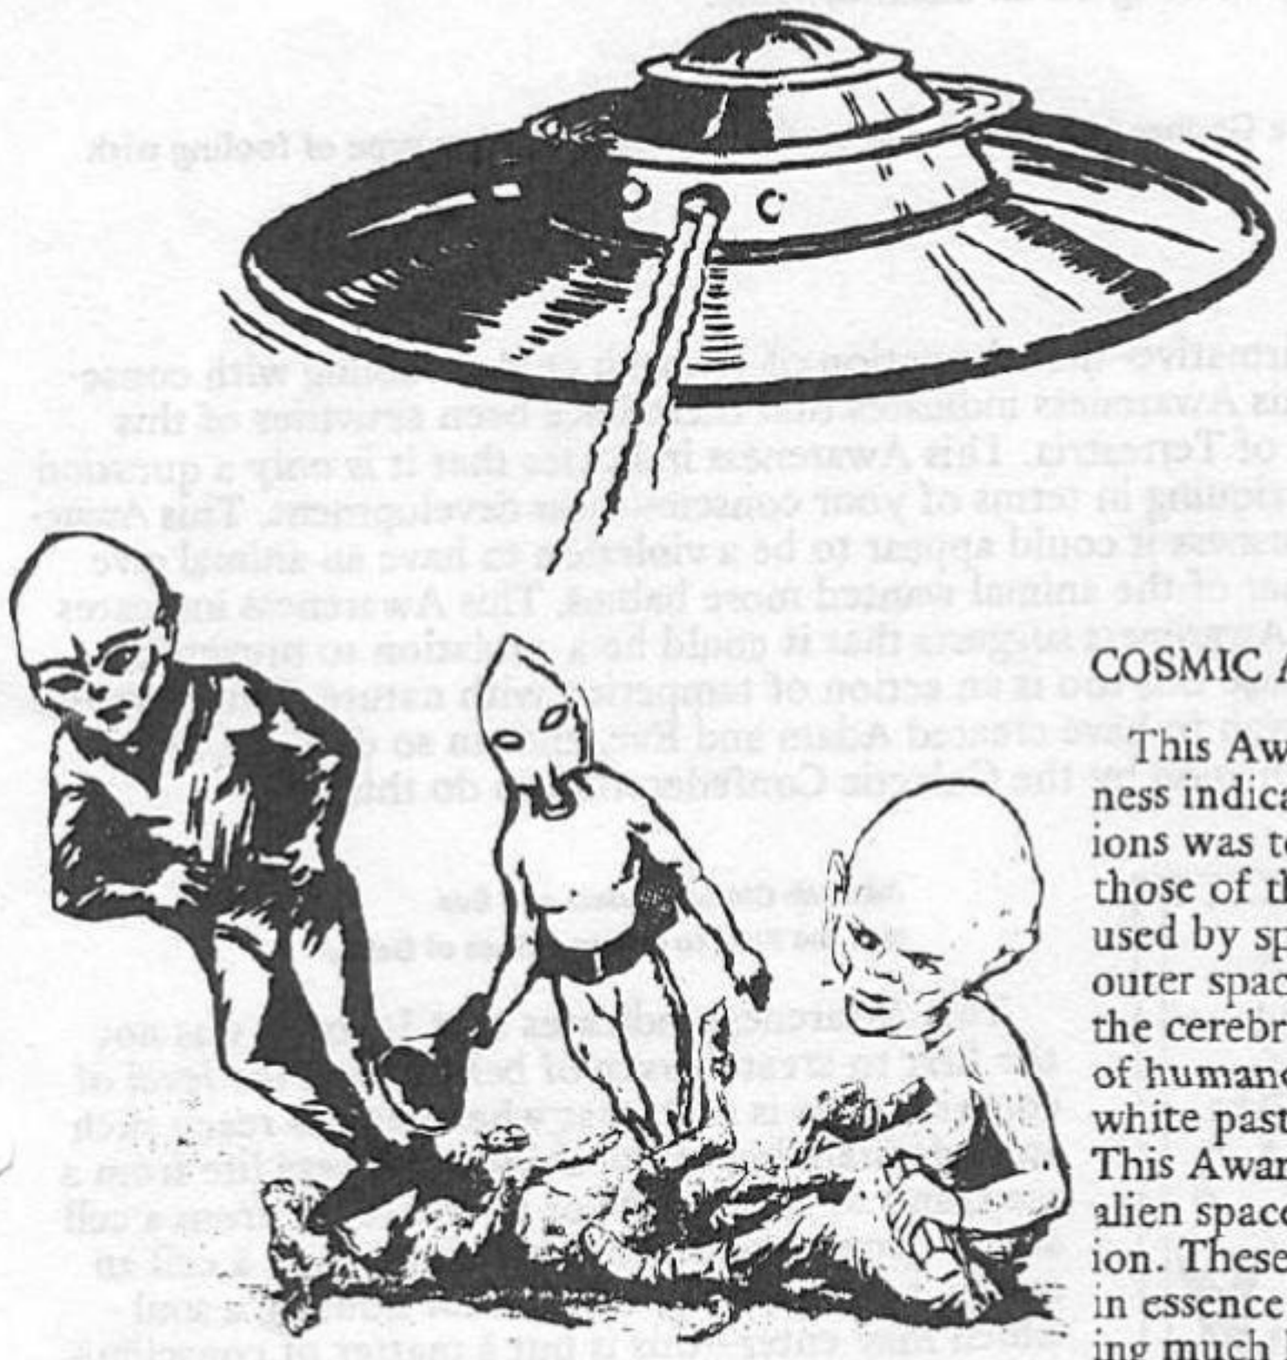
QUESTION:

Did Awareness mean that the earth is under tempory quarantine while this is going on?

COSMIC AWARENESS:

This Awareness indicates this in the affirmative—that this earth has been under quarantine approximately 500,000 years, allowing certain forces in—that there have been times when the quarantine was lifted, times when it was broken, times when it was weakened, and times when it was strengthened. This Awareness indicates that at

present time the quarantine is quite strong, with forces from many different sources watching carefully what occurs here, and attempting to keep the Alien Forces which are here from leaving. This Awareness indicates that these forces generally leave and arrive in the Fall with certain meteor showers near the end of October. This Awareness indicates that the movement of these forces at present is such that a great effort will be made by these forces to evacuate from this planet by October, as it becomes more difficult thereafter. This Awareness indicates that some are presently evacuating, and many more are preparing for this move. This Awareness indicates that the quarantine will continue for some time, until this planet is completely brought up to the vibrations and the level of involvement with other planets and other beings of the Space Confederation, so that trade and communication can occur freely between the Galactic Space Confederation and entities on this earth planet without fear of hostilities and conflicts occurring.



THE NIGHT MUTILATORS

QUESTION:

Over the past couple of years there have been quite a few questions that where asked that Awareness said to keep classified that were related to this general area—cattle mutilations etc. Is it all right to compile that information and release it along with this reading?

ED's Note: time did not permit us to include all this UFO info but this will all appear in the UFO booklet being prepared.

COSMIC AWARENESS:

This Awareness indicates this in the affirmative. This Awareness indicates that essentially the purpose of the cattle mutilations was to gather certain acids from the membranes, particularly those of the lips and soft tissues—these as tirpo* acid, which is used by space beings to prevent the bones from deteriorating in outer space. This Awareness indicates that these entities also used the cerebral fluids and the cerebellum for creating certain types of humanoids—these as those reported which have large eyes, white pasty skin, as was presented in the movie, *Close Encounters.* This Awareness indicates these essentially were the products of alien space beings, rather than of the Galactic Space Confederation. These humanoid types were essentially robots–very similar in essence to the robotoids, being of different appearance, looking much like some strange imaginative creature, having white pasty skin and features that are other than human. This Awareness indicates these creatures created through use of decompression chambers and other electromagnetic energy fields—these created here on earth for purposes of gathering substances and piloting the spacecraft. These creatures as also being of a kind of robotized biological creation that served as servants to those who are the Alien Forces on this planet. This Awareness indicates that there are other types of UFO creatures of beings—that this is but one which has been popularized through the movie *Close Encounters*–that the eyes of these creatures are cattle eyes, the brain as being the brain from a cow.

* Phonetic spelling. We could find no reference to tirpo acid.

ALIENS FROM OUTER SPACE HELPED RUSSIANS CREATE THE ROBOTOIDS

QUESTION:

Awareness, did the Russians who developed the organic robotoids receive assistance from these space entities who have also been working with synthetics?

COSMIC AWARENESS:

This Awareness indicates this is in the affirmative—that some information was received from the Alien Forces and some from the Galactic Space Confederation. This Awareness indicates that the Galactic Confederation as having influenced the proper or right use of the information which led to these creations and their deployment.

Space visitor in *Close Encounters* (1977)

ROBOTOIDS USED ON OTHER PLANETS AS SLAVES

QUESTION:

One final question about robotoids. If these creatures were developed scientifically and extended onward in the economy etc. by business etc. to operate assembly lines and do the work of human beings, would this be a violation to do this?

COSMIC AWARENESS:

This Awareness indicates that there are many other planets who use creatures of this type for much of their manual labor. This Awareness indicates that this as occurring throughout this galaxy on other planets, and this is not unusual. This Awareness indicates this is not necessarily any more of a violation than using your wife to clean your house, or your husband to make your living working on an assembly line.

QUESTION:

Well, wouldn't something like this from the view from the Godhead be considered by the creator as another type of fooling with creation and consciousness like the original fall?

COSMIC AWARENESS:

This Awareness indicates that this as in the affirmative–that the action of Jehovah as also fooling with consciousness and creating a so-called human being. This Awareness indicates that there have been activities of this level occurring for time immemorial on the levels of Terrestria. This Awareness indicates that it is only a question of your level of toys, and the games which are intriquing in terms of your consciousness development. This Awareness indicates that to a particular level of consciousness it could appear to be a violation to have an animal give birth to a litter of babies, simply because the owner of the animal wanted more babies. This Awareness indicates that this is an action of fooling with nature. This Awareness suggests that it could be a violation to prevent an animal from giving birth to a litter of babies, because this too is an action of tampering with nature. This Awareness indicates that it could be a violation for Jehovah to have created Adam and Eve, and in so doing having started the Hebrew race, for he was not given permission by the Galactic Confederation to do this.

Jehovah Cloning Adam and Eve
Not the First to Create a Race of Beings

This Awareness indicates that Jehovah was not the first to create a race of beings, that the level of consciousness is such that when entities reach such an understanding of the ability to create life from a seed, and so grow a tree or to create life from a cell and so grow a robototoid, or create from a cell an entity, a living being, suitable for housing a soul which may enter—this is but a matter of consciousness, evaluation, development, and risk as to whether it is proper or not.

This Awareness indicates that on one level it may be seen as a violation, on another level it is an achievement; on another level it may be seen as foolishness and child's play. This Awareness indicates that still another level beyond that in the Clear Light where all is Essence, it is of no consequence, and does not matter so long as it does not matter.

This Awareness indicates this all related to that very profound catch-all word 'relativity'—all is relative.

JESUS CAME TO EARTH TO THWART THE PROGRAM OF JEHOVAH

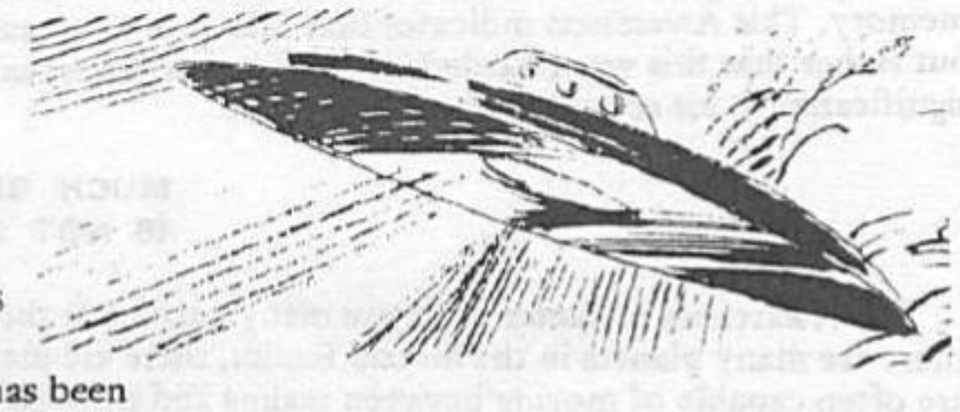
QUESTION:

It would probably be appropriate to ask this question of A.M. of W. Palm Beach, Florida. The question concerns a reading given by Edgar Cayce as to the incarnations of Jesus, and he said Jesus was Adam. Now Awareness indicated that Jehovah cloned Adam and Eve. Can this be explained by Awareness?

COSMIC AWARENESS:

This Awareness indicates that there is no indication seen that Jesus was Adam. This Awareness indicates that the entity known as Jesus was brought from Celestria into physical form in Terrestria and brought forth into that life for a particular mission—a plan to thwart the program which Jehovah had started. This Awareness indicates that information has been given previously regarding the past life incarnations of the entity Jesus. This Awareness indicates that the entity Adam was an immediate creation, that the soul-stuff in Adam was a reflection of Jehovah—that Jehovah himself had rebelled against the Galactic Confederation and the laws thereof, and Adam reflected this rebellion in his denial of the laws of Jehovah and his participation in the indulgences offered by Eden. His desire to seek knowledge through experimentation was but a reflection of Jehovah's own scientific efforts, without regard for authority. This Awareness indicates that information on this has been given previously,

relating to the cloning of Adam and Eve. This Awareness indicates that the term 'cloning' is not exactly accurate, but there is no word in your language which is available at this time. This Awareness indicates the word 'creation' can be used and is suitable.



This Awareness indicates that the Jewish people whoever that may be, generally are followers of the *Old Testament*, but not necessarily so. This Awareness indicates that essentially the early Hebrews were the clones of Jehovah or the offspring of such clones. This Awareness indicates as has been indicated previously, indulged in the action of duplicating entities and duplicated Adam in his own image, duplicated Eve in a kind of feminine counterpart of Adam using a different approach. This Awareness indicates that these entities as having been created on the planet Mars, and brought to earth at the time whereby they were expelled from the Garden of Eden. This Awareness indicates that the action of Jehovah as has been previously indicated, was one whereby he broke certain universal laws of the Galactic Confederation in creating Adam and Eve as servants to tend his garden, and began this race which was a duplicate of his own karmic self.

This Awareness wishes to elaborate briefly: The actions of Jehovah created through the DNA duplication a race of Hebrews, who were basically reflections of Jehovah—these entities reflecting the rebellious attitudes of Jehovah and carrying on certain attitudes of superiority, love of power, jealousy, vengeance and a feeling of being righteous and superior to others. This Awareness indicates all this being inherited through the genes from Jehovah. This Awareness indicates the Intergalactic Confederation, or Galactic Man, as it is sometimes called, considered Jehovah to be a renegade immortal and has since curbed Jehovah's behaviour and has sentenced this entity to bring back the energies which he unleashed upon this Earth; and this entity is in the process of reversing the forces which he unleashed, and in so doing, the entity is also making repayment for his own karmic purposes.

This Awareness indicates the entity Jesus, as has been explained previously, assisted to reverse the forces which this entity Jehovah began, and Jehovah at present is not in the process of destroying humanity and saving his own, but rather is in the process of balancing out the energies of this planet in order to bring about harmony and to undo the harm which he unleashed when began his operations. This Awareness reminds entities that the term 'Jehovah' as likened unto that which applies to a tribe of space people with one named Yahweh as the leader, and this entity as being the force behind this action. This Awareness indicates that these entities are working on this earth to undo some of the energies which have brought about much conflict through the Hebrews and their programming by Yahweh.

JEHOVAH PLANNED TO RETURN AND HARVEST* HIS PEOPLE

(Jesus Comes to Thwart this Plan)

QUESTION:

In a previous reading about Jehovah, Awareness mentioned that entity Jehovah had planned to harvest those entities and those clones. Would Awareness please explain what *It* meant by the term 'harvest'?

COSMIC AWARENESS:

This Awareness indicates the entity Jehovah had intended to return at the proper time and to take those who were his creation away from this planet, to another place, and to destroy the remaining entities upon this planet. It was for this reason that the entity Jesus came from the Intergalactic Confederation, after having moved into Terrestria from Celestria, and through these entities moved into this earth plane, and was born, and remained in contact with these space beings while moving through the various places which Jehovah had touched, and fulfilling various prophecies which Jehovah had promised to fulfill and thereby diffusing or duplicating the actions of Jehovah but on a different level. This Awareness indicates the entity Jehovah had promised to come back with great power and slay the enemies of the Hebrews and take them away to the promised land. The entity Jesus came back a babe in the manger, and ended his life on a cross, giving himself for others. This Awareness indicates the entity being King of the Hebrews, rode into Jerusalem on an ass, and was crowned with a crown of thorns. This Awareness indicates this entire action, the mercy and the healings indicated a God of love and mercy, and many of the Hebrews began to believe this entity was indeed a messiah, but a messiah not of power, vengeance and glory but of humanness, love and mercy, and the entity opened the Hebrew religion for Gentiles also, this again diffusing the Jewish or Hebrew religion, diffusing the Hebrew clan.

This Awareness indicates Jehovah had created many laws to identify his people, ranging from circumcision to diet and to other forms of behavior, to the action of keeping track of the geneology. This Awareness indicates this entity has intended to mark his people that he might come back and salvage them, but the entity Jesus began an action which diffused and scattered these people all over the earth, and in this manner made this harvest a near impossibility. This Awareness indicates that Jehovah has had to reconsider his plan for harvesting or rapturning his people and destroying those who were not his own. This Awareness indicates the entity as having to give up on that program. This Awareness suggests there was a deficiency in the gene of Jehovah, which, while helping this entity to be a good scientist, did not allow the entity to understand qualities of mercy and universal oneness. This Awareness indicates the entity as having been vain and self-centered –a megalomania. This Awareness indicates the entity as having passed this on to his followers, to his duplicates, Adam and Eve, and through them to others of the Hebrew group, and that many of these entities while being artistic and adept at dealing with material physics and materialism, did not have certain qualities which linked them to the Immortal Realm, and therefore many of these entities adopted the philosophy of atheism, not believing that immortality actually existed. This Awareness indicates that many of these entities intermarried and brought into that DNA memory chain and the genes the concepts of immortality through

* In one reading Awareness indicated Jehovah was a space cannibal who also intended to use his creations as food.

some of the Hebrews have the capacity to believe in immortality from an intuitive level, from an inner memory. This Awareness indicates that this does not mean that those who did not have that memory were deprived of immortality, but rather that this was retarded in their consciousness as it was also retarded in the consciousness of Jehovah, because it had so little significance in his consciousness.

MUCH OF 'SCIENCE FICTION' IS NOT FICTION

This Awareness indicates there are many entities in the Immortal Realms, these being of all types; there are many planets in the Mortal Realm, there are many more in the Immortal Realms—these entities are often capable of moving between realms and through space from planet to planet, and many of these are of very unusual nature, much as have been indicated in your science-fiction movies and stories, and many of these have great powers and also have strange ideas.

This Awareness indicates this particular planet has been heavily influenced by such a one—the entity Jehovah, and as having been influenced also by Luciferians and those who were associated. This Awareness indicates there was a time when the Natas or Satanists and the Luciferians worked together, but these entities since that time have separated as there has grown a mistrust between these entities. This Awareness indicates that there has been a closer tie between the Luciferians and the Jehovahites, but this also is now changing. This Awareness indicates that in this particular case, both the Luciferians and the Jehovahites, or those who are followers of Jehovah, these are in the process of transmuting and merging back toward the Galactic Confederation, associated with those who are the Galactic Confederation often referred to as the Serpent people, due to the symbol used on their ships. This Awareness indicates that essentially the Luciferians and the Jehovahites as now becoming more humane and less competitive in their behavior—these entities beginning to learn the meaning of the power of Love, for they have experienced repercussions in their efforts to gain control over the lives and energies of others. This Awareness indicates that this is largely due to the intense battle of consciousness which has been raging upon this Earth between the Wanderers, the Luciferians, the Satanists, and the Jehovahites for thousands of years.

This Awareness indicates that the Universe is not as most entities have been taught to believe, that the Universe is filled with inhabitants not too unlike entities upon the earth. This Awareness indicates that these entities have been to and from the earth many times. That there have been civilizations upon this earth which have been highly advanced, with spiritual development that super-exceeds anything presently known. This Awareness indicates that this earth has been watched and has been visited by many entities from other systems and from other planes.

Parting of the Red Sea and other Miracles were the Work of UFOs

This Awareness indicates that the gods and lords of old are not mythical characters, nor are these entities supernatural, though they are supernormal, and in many instances superhuman. This Awareness indicates that these entities also have a super technology and often a superconsciousness. This Awareness indicates that many miracles of the *Old Testament* are recordings of the spaceships which were piloted by the group of space travelers known as the Jehovah. This Awareness indicates that these entities protected their chosen tribes with their technology, their spaceships, which had the capacity, the capabilities of effecting what in those times would be considered as 'miracles'.

This Awareness indicates that the parting of the Sea occurred from energies of a particular type of spacecraft which repelled the waters to allow the followers to pass through, but then closed against the Egyptians. This Awareness suggests that entities in reading their *Old Testament* stories, may, in their imaging, find that when they substitute the word *Lord*, or *Jehovah*, wherein this word can be read with an image of a spaceship, there will be much clarification of meaning. This Awareness indicates that such statements regarding entities not touching the *Lord* as the *Lord* comes down upon the mountain—that any entity who comes close or touches will surely die—that this is in relation to the radioactive energies and the high vibratory energies of the spaceship. This Awareness indicates that often the pilot or commander, or the *lord* of the spaceship, was confused with the spaceship itself by the writers. That at times they speak of the *Commander*, or *Lord*, walking with a particular person, and at other times the *Lord* is flying above, creating thunderbolts, earthquakes, fires, or other disturbances of a magnificant and terrible nature. This Awareness indicates that in both cases the term *'Lord'* may be used, but the reference may be interchangeable between the meaning of the personality or the spacecraft. This Awareness indicates this does not in any way detract from the concept of a Universal God, but this does indicate a difference between a personality God and a Universal God.

This Awareness indicates the entity Jehovah as being an Immortal being; yet this entity as not the creator of the Universe, but one who was capable of creating through the use of certain cosmic and universal principles, creating forms. This Awareness indicates your present scientists are reaching a level whereby they also may soon become capable of creating that which you call clones. This Awareness indicates the entity Jehovah essentially was creating mankind, Adam and Eve, from an action similar to that which your scientists call 'cloning'. This Awareness indicates that Adam, being created in the image of Jehovah, as likened unto that which is related unto cloning, whereby the cell of an entity is taken and the nucleus of that cell is placed within the egg of a female, whereas the nucleus of that egg is removed. This then, is implanted in an incubation system to allow the clone to develop, and that development will be in the exact image of the entity from which the cell was taken. This Awareness indicates this has been done upon your plane by others than your own scientific establishment, whereby entities have been cloned and created.

This Awareness indicates that the entity Jehovah, creating his special cloning followers for tending his garden and for his personal experiments, this entity then proceeded to attempt to mold and create and direct these clones by using the motivational behavior system of punishment and reward. This Awareness indicates that the entire Western civilization as being reflective of that kind of consciousness. This Awareness indicates that the present spiritual organizations who stress the fear and punishment, particularly wherein the punishment is that from an unknown cause, or what may be termed unknown fears: fears created by concepts which may or may not be valid, such as the annihilation of the soul—that such concepts and such fear-producing ideas being used against entities to keep them in line, to force them into certain levels of obedience—this is but an old way which has been used for eons

of time to keep entities enslaved and ignorant. This Awareness suggests that if the entity teaching this can give the clear source for this information, can show entities how they may discover this for themselves, and can assist entities in finding ways whereby the behavior of an entity is encouraged rather than enforced—this Awareness suggests that then the teacher is showing responsibility rather than mere reckless control over his or her following.

Jehovah, God of Battles

JEHOVAH A GOD OF POWER AND MONEY
(The Suffering of the Jewish Culture)

This Awareness indicates that the Jewish culture had as its heritage, its religious and ethnic pride and background which it could point to for identification, yet this culture throughout history has felt itself to be in conflict with those who were not of that particular religion or culture. This Awareness indicates that the conflict between the Muslim and the Jewish, the Mohammedan and the Jewish, the Christian and the Jewish cultures have been emphasized for the last centuries in a manner that allowed the Jewish people to feel a kind of stigma in relation to other cultures.

This Awareness indicates that the Nazi movement emphasized this even more greatly, to the point where the Jewish culture began to question and wonder, 'What have we done to deserve this treatment'? This Awareness indicates that in this manner, there was a deep examination of the basic quality which the Jewish people and their philosophy and their attitudes expressed toward others. This Awareness indicates that these entities took on a kind of sacrificial lamb experience whereby they became the victims of the sacrifice to the forces that followed the god of power. This Awareness indicates that when entities follow the god of power, lust and greed, they may serve that god only so long as they themselves continue to feel themselves insensitive to feeling, to mercy, to love, –insensitive to levels of humanity. This Awareness indicates that the god, Jehovah, as a god of power, favoring one people over another, as basically defined and described as a god of power which the forces of theJewish or Hebrew culture worshiped and exemplified as an ideal.

This Awareness indicates that Jehovah basically is a money god. This Awareness indicates that the Hebrew or Jewish culture moved for these thousands of years through the world using the economic systems in a manner that allowed advantage to those who followed the Lord God Jehovah, the powerful, jealous god which represented the qualities which controlled the material world.This Awareness indicates these forces as that which create the matter in the universe. This Awareness indicates that the Yod-He-Vau-Heh, (the Shin being the 5th element), ties this back into the Spirit. This Awareness indicates Yod-He-Shin-Vau-Heh as the spelling for the name Jesus. This Awareness suggests that this Yod-He-Vau–Heh as having been a key to the kingdom of the material plane, whereas the Yod-He-Shin-Vau-Heh as being the key to the link between spirit and matter. This Awareness suggests that the crucifixion of Christ as a symbolic action wherein the entity Jesus moved through the passion play and gave his life as a sacrificial lamb to the end of the age of Aries, or the age of David, as a fisher of men entering into the Piscean Age. This Awareness indicates this entity, having given his life to create a kind of example for the Piscean Age, was said to have been slain by the Jews. This Awareness indicates that in the story it is said that the Jews said: "Let his blood be on our heads and on the heads of our children". This Awareness indicates this statement as that which has assisted in creating hostility toward the Jewish race by those who followed the Christian doctrines and teachings.

This Awareness indicates that the Jews in Germany as having moved into the gas chambers and other forms of death in a passive, meek manner, likened unto the lambs going to slaughter. This Awareness indicates that this as also an action of a passion play acted out on a grand scale with a cast of millions. This Awareness indicates this as such an unnecessary tragedy brought on by these philosophies that allow nations, people, families, individuals, to slaugher one another or to sacrifice themselves for some belief or cause that is unnecessary, and does not serve the purpose of constructive living. This Awareness indicates that the repercussion of the crucifixion of the entity Jesus as that which has carried down through the ages. This Awareness indicates that the repercussions of the slaughter of the innocents in Germany as that which also carries down through the ages. This Awareness indicates that the Wheel of Karma continues to spin and spin, and to seek revenge after revenge, until entities look carefully and say, "Enough! I shall not take my revenge. I shall stop the Wheel of Karma right here".

This Awareness indicates that there is certain information regarding the action of World War II which can be extremely shocking to many Jewish people, that the U.S. Labor Party presents much of this information. This Awareness indicates that essentially, it boils down to the fact that the persons who began setting up Hitler, and pressed the issues which led to World War II; the entities who created the environment and who allowed the persecution of the Jewish people, were, to a large extent, *of Jewish origin*,in the cult known as Zionism. This Awareness indicates this information can be quite shocking to many entities, and that it will no doubt be rejected by some, and may cause some hostility to be directed toward this organization. This Awareness suggests that it is a question of whether entities wish to believe in Santa Claus, or whether entities wish to explore realities—whether entities wish to be told lies, or whether entities wish to discover *what is*. This Awareness indicates that the Jewish people have suffered much–undue criticism and undue hostility—much of this because certain forces of Zionism have hidden behind the dress, behind the cloak, behind the skirts of the Jewish people. This Awareness suggests that this as, in part, a situation that needs to be balanced and brought into harmony, brought into levels of dialogue, brought into discussion, whereby the oppositions may be balanced and reconciled. This Awareness suggests that *It* will give no more on this topic. That entities may discover more information regarding this by writing the U.S. Labor Party for information on the role of the Zionists in World War II; that entities may read the book, *Dope Incorporated.*

Bigots Beware! You could Reincarnate Into the Race you Dislike

This Awareness indicates that there are still entities who have hostility toward the Jewish people. How many more would you like to see sacrificed before you cease in this stupidity of bigotry? This Awareness indicates that each entity, when reincarnating upon this plane, is potentially capable of reincarnating into any other race, whether this be Oriental, Indian, Jewish, Gypsy, Black, Caucasian, or of the Brown Race, or of Latin nature. This Awareness indicates that any entity has the potential of reincarnating into any culture, any nation, any area, and any status of being, whether of poverty or wealth–the potential as determined by those needs which will give the entity the greatest spiritual growth, according to their ability to grow.

This Awareness indicates it behooves entities not to plant seeds of hostility toward any particular race, culture, status or nation, for indeed they may return to live a life within the skin of that culture which they have directed hostility towards.

JEHOVAH ENTITIES WORKING WITH RUSSIA TODAY
(Guess Where the Idea of Robotoids Came From?)

QUESTION:

What is Jehovah up to thesese days? Is he still experimenting with genetics and cloning entities or has the Space Confederation placed some type of restrictions against this?

COSMIC AWARENESS:

This Awareness indicates that at present time, the Jehovah have been put on a kind of probation by the Galactic Confederation. Their punishment at present time for the actions of the past, is to undo the energies which had been set in motion and to assist in bringing about greater peace and harmony upon this plane.

This Awareness indicates that for this purpose, for this reason, the Jehovah are working with the Russians in their efforts to rid the Luciferians, or the Alien Force, from this planet.

Jehovah, being a god of wrath and power, was expected by the Hebrews to return to earth in a UFO and slay their enemies

Galactic Space Confederation Closely Watching in Russia

This Awareness indicates that in earlier times, the Jehovah worked hand-in-hand with the Luciferians in their conquest of certain portions of this planet; but generally the Jehovah and the Luciferians did not cooperate with one another for any long period of time.

This Awareneness indicates that likewise, the Luciferians and Natas, or Satanists, once worked closely, having an alliance with one another, but this too, broke down as the Natas found they could not trust the deceptive Luciferians, and the Luciferians were not so caught up in the sadism of the Natas, but more concerned with using energies of others for their own purposes (not having such sadistic qualities as the Natas. The Natas being more concerned with sadism, finding much pleasure and receiving feelings of power from these energies and these expressions.

This Awareness indicates that the Jehovah as being more concerned with vanity and appetite being reaped from their own creation—the Jehovah feeling justified in this action since they were creations from their own cells.

This Awareness indicates that this would be much like the concept of raising robotoids for food.

QUESTION:

Awareness, is the Galactic Confederation keeping an eye on these Jehovahs that are working with the Russians today, to make sure that they have 'gone straight' as it were?

COSMIC AWARENESS:

This Awareness indicates this as in the affirmative.

QUESTION:

In a previous reading about the moon landings, Awareness indicated that NASA had a definite motive for landing in the area of the moon that they did. If there was a definite motive, what were they looking for and why?

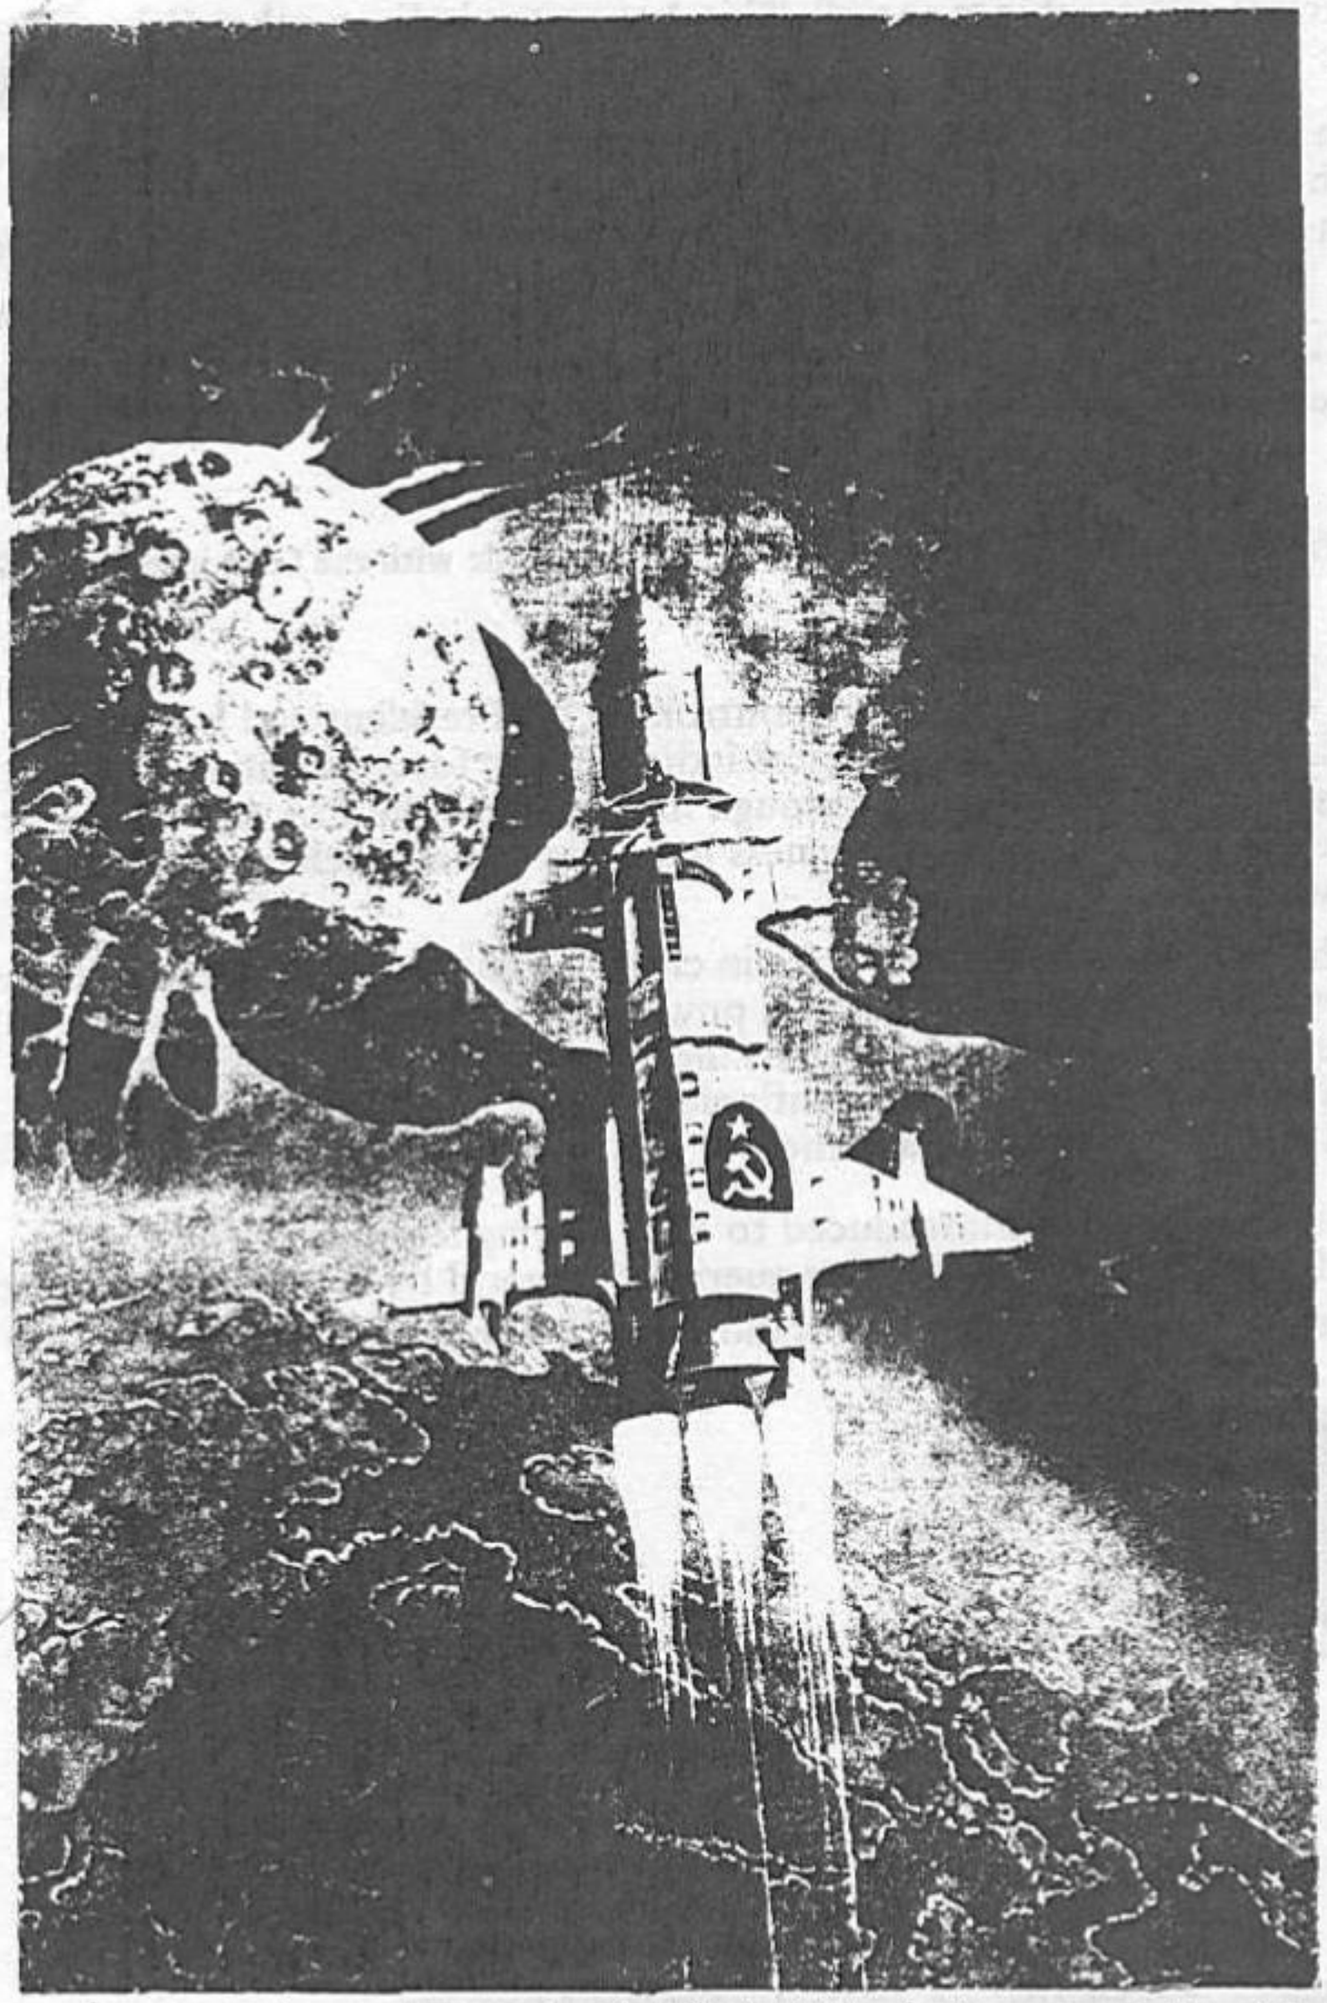
COSMIC AWARENESS:

This Awareness indicates that much of this information has been release on the Dr. Beter tapes in reference to the effort by the military of the United States to establish a moon base from which it could essentially control the earth. This Awareness indicates that this did begin an establishment of a military moon base for laser weapons and for observation systems to watch various areas upon the earth.

This Awareness indicates this then was removed by the Russians, and the situation reversed in that which Dr. Beter refers to as the Battle of the Harvest Moon. This Awareness suggests entities interested in this to contact the Audio Letter for that particular tape.*

This Awareness indicates however, there are also other forces on the moon and within the moon—many of these assisting the Russians in their efforts. This Awareness indicates there were also those forces known as the aliens or Luciferians, who attempted to take control of the planet earth. These forces having been upon

* All references will be found at end of this reading



this earth for thousands and thousands of years, attempting to hold and control the earth. This as the reason for the Galactic Confederation quarantining the earth planet.

This Awareness indicates that as the earth developed its technology, it became imperative that the Galactic Confederation would need to intensify the quarantine, and if enough entities upon the earth sought freedom from the Luciferian forces, that the Galactic Confederation would assist in ridding these forces from the earth.

This Awareness indicates it is a policy of the Galactic Confederation not to interfere in the internal affairs of a planet unless that planet becomes a threat to others around. This Awareness indicates in this case, when nuclear weapons were developed and space flight was being developed, the earth became a threat to other planets. Therefore, the Galactic Confederation determined that it was necessary to interfere, for if the earth should have a massive nuclear war, not only would it affect the earth and planets nearby, it also would affect the other planes of existence--those in astral levels and mental levels, and even echoing into Celestria.

PRESIDENT EISENHOWER TAKES FLYING SAUCER RIDE

This Awareness indicates therefore, this was essential that the Galactic Confederation interfere in the internal affairs of the planet earth. This as a reason for their offer to help the United States on the condition that the United States would avoid any nuclear confrontation with Russia. This Awareness indicates that this was proposed *first* to the United States, but was rejected; therefore these forces went to Russia and made the same proposal—the Russians agreeing not to make the first strike, but reserved the right to defend themselves.

This Awareness indicates that this became the basis for the assistance to these Russians by the Galactic Space Confederation whereby they have been helped in their technology and development of various modern weapons and scientific techniques.

This Awareness indicates that in 1954 Dwight Eisenhower was taken aboard a UFO and was prepared to make a televised speech regarding what he had learned, what he had been told. This Awareness indicates that before he was able to make this speech, he was stopped and prevented, and therefore this information was never released.

This Awareness indicates that essentially, the UFO cover-up is that which has long been a hindrance to understanding what is occurring upon this plane. Yet the situation has resolved itself even without the public being aware of what was occurring, and essentially the earth is being freed from the Alien, Luciferian forces.

This Awareness wishes to explain briefly that the Satanists and Luciferians are not the same forces. The Satanists are those from Natas (which is Satan spelled backwards). These entities seek to control through mind domination and these entities have a sadistic quality about them. That the Luciferians seek to control the energies of others--these entities more like vampires, eating off of the energies of others in order to avoid drawing from Universal forces and developing their own being and their own life force. These entities sap the strength of others, live on the fruit of their labors, and in general simply produce nothing for society in most cases, but live off of society.

This Awareness indicates that the Galactic Confederation as that which has its roots in Celestria, feeds off of the spiritual energies from within and draws on this inner divine spiritual energy in order to produce and bring about better life situations; and these entities generally are generous, giving of themselves, and willing to sacrifice if necessary, in order to see others having a more pleasant and harmonious life. This Awareness indicates this as generally exemplified by the Christian doctrines or teachings.

This Also relating to certain Oriental doctrines and teachings as well. This Awareness indicates that Krishna and some of the Tibetan concepts also relate to this level.

This Awareness indicates that the Jehovah energies relate to a kind of hierarchy branch system, whereby power must be passed from above to those below through authority, rules, and the hierarchy system. This Awareness indicates this is also reflected in the Brahmin caste system, which reflects much of this type of hierarchy concept in a social situation.

Who has the Power to Stop the President of the United States from Keeping the People Informed? (Rockefeller, who else)

QUESTION:

Would Awareness reveal who it was that prevented President Eisenhower from going forth to the public with the UFO information?

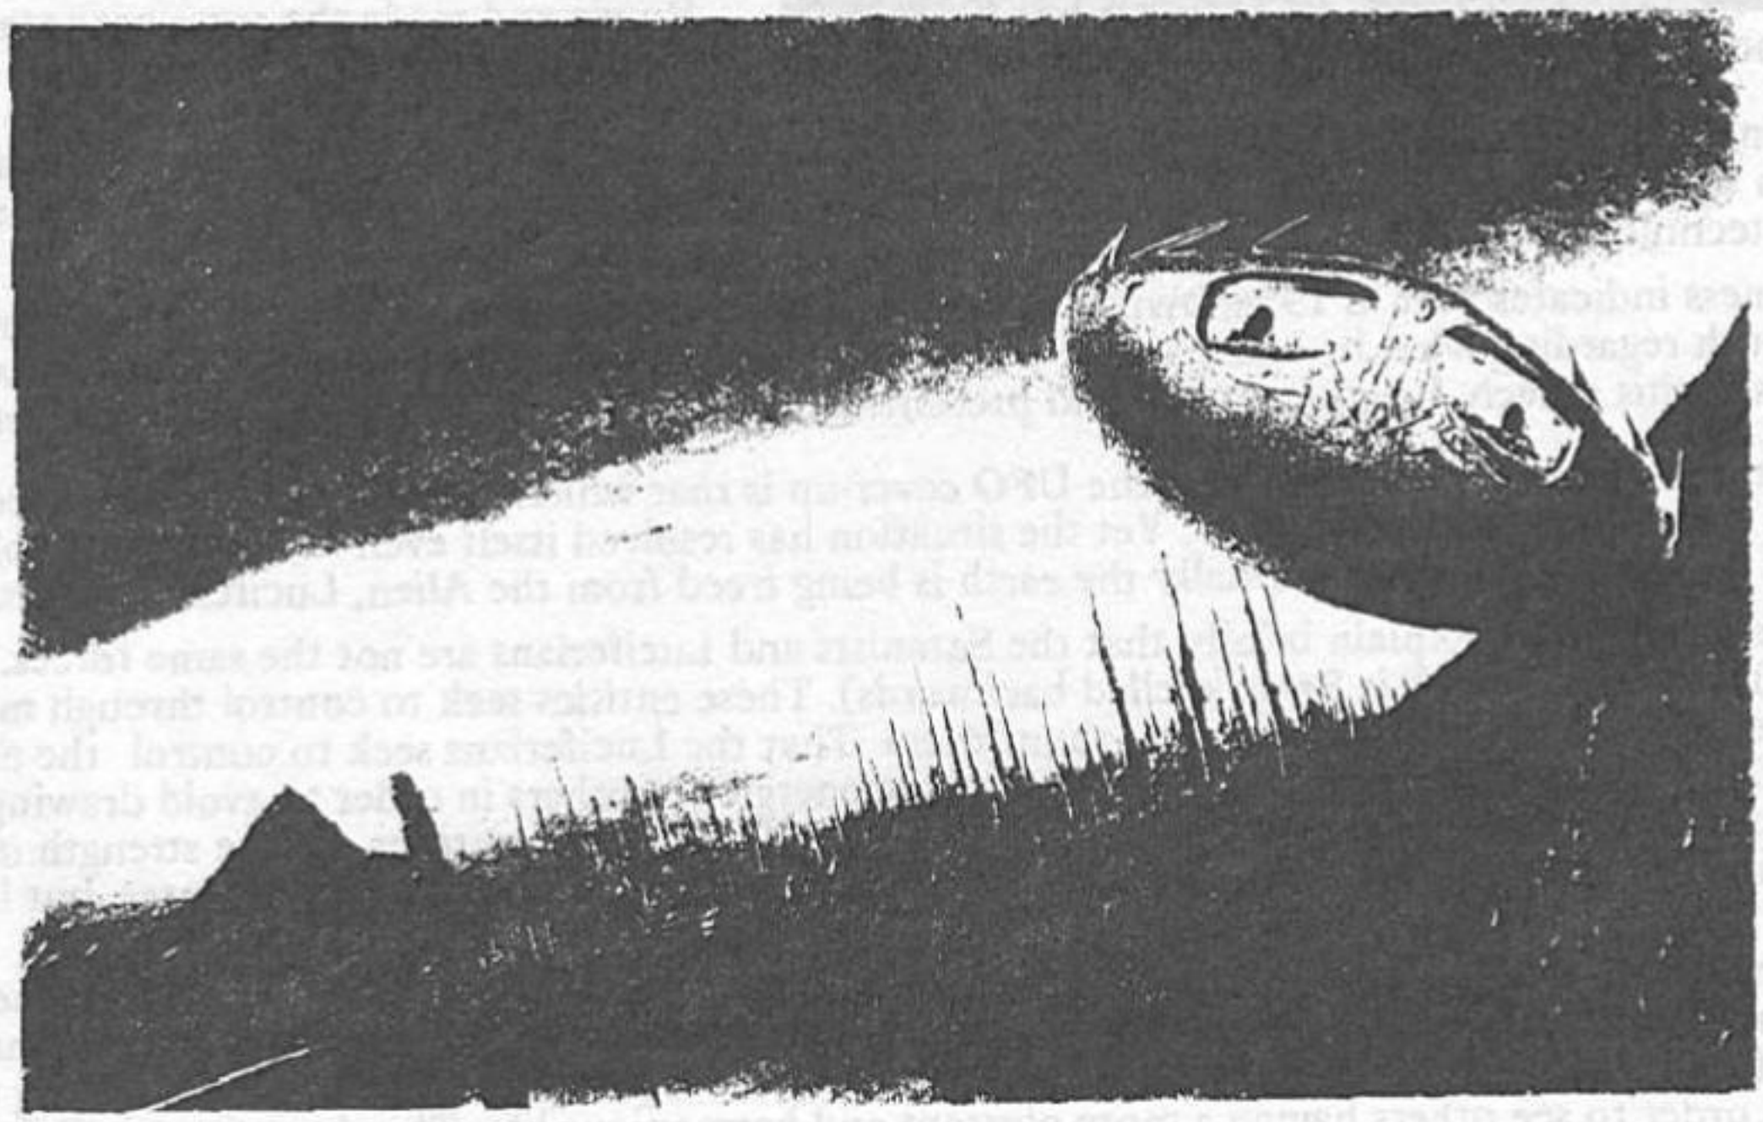
COSMIC AWARENESS:

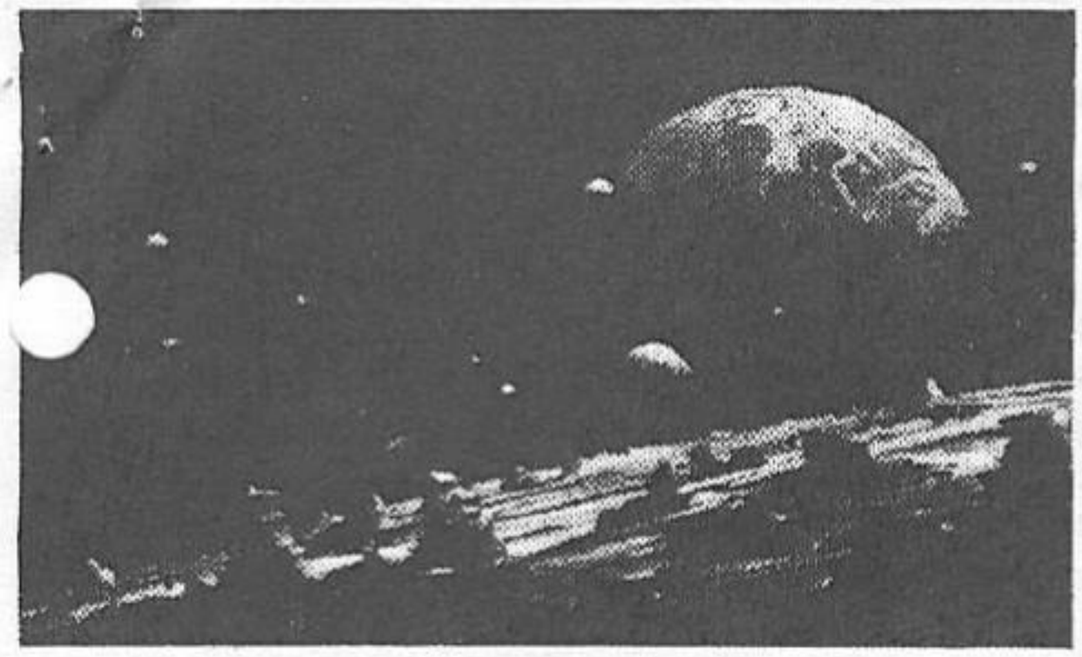
This Awareness indicates this as related to certain forces which were controlling the President and have controlled the President since the time of Franklin Roosevelt. This Awareness indicates this force essentially coming from the Rockefeller powers. This Awareness indicates this working through his agencies—the CIA and the Secret Service, which at that time was controlled by these powers. This Awareness indicates this also relates to the entities in his cabinet who were controlled by these forces also.

This Awareness indicates that essentially the Rockefeller brothers were in close communication with the Rothschilds. That these and those other forces closely linked to the Rothschild power had connection and association with Luciferian forces which were behind their movement. This Awareness indicates that the force also was associated with that which was subterranean in its location and had great influence on the Rothschilds, the Rockefellers and on the general movement of Nazi Germany during these times.

This Awareness indicates that the entity Adolph Hitler was introduced to such a being from the subterranean level and was of the impression that he would receive great power in conquering the world by following the orders and directions of these forces from the Luciferian levels. This Awareness indicates that more information on this may be given at a later time.

EISENHOWER USA





'MOON LANDING' A HOAX
U. S. HAD MEN ON MOON
10 YEARS BEFORE 'MOON LANDING'

(Excerpt from CAC Reading of Nov. 8, 1978)

QUESTION:

A question from J M of Los Angeles:

Many thousands of Americans do not believe that we have landed men on the moon and returned them. The technology required to perform such a feat is far more that it would take to run an automobile on water or to clean up our cities' air and water. Have we, in fact, landed men on the moon and returned them, or are we the victims of a great hoax perpetrated by our government?

COSMIC AWARENESS:

This Awareness indicates that essentially you are the victims of a great hoax perpetrated by your government; yet, at the same time, the United States and Russia both have landed men on the moon. This Awareness indicates that these landings occurred as indicated, but that these nations had also been on the moon previously.

This Awareness indicates that the United States, Russia, Argentina and Great Britain all have those space ships known as UFO's. This Awareness indicates that the United States has had space ships on the moon approximately ten years prior to the missile shot wherein the men landed on the moon. This Awareness indicates that there are even more unusual aspects to this adventure. This Awareness indicates that the UFO's not being limited to these nations, nor to any of the known nations of the earth today—that these nations have learned to build these UFOs. This Awareness suggests that these ships may be termed 'flying saucers' or whatever name. This Awareness indicates that essentially, in response to this question, the United States has been on the moon with spaceships and that the missile program of NASA for landing men on the moon was but an action to give the people of the nation a belief that the government was progressing technologically without giving away the real advancement in terms of this technological advancement. This Awareness indicates that this as likened unto creating a spectacular new invention, but presenting something less in order to convince others that this is where their money has been spent.

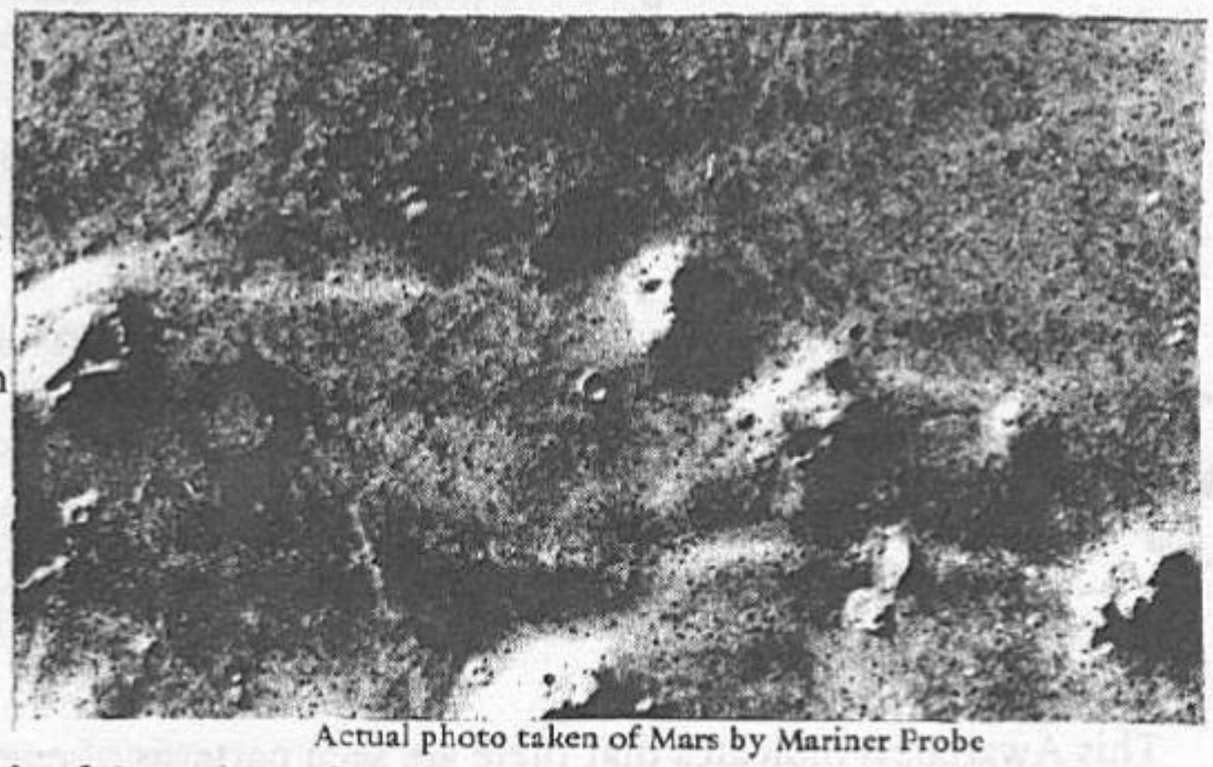
U. S. SPACE SHIPS ALSO HAVE BEEN ON MARS
(UFO Cover-Up to Keep Citizens Ignorant)

QUESTION:

A somewhat related question from JD of Brooklyn, N.Y. The following is my question for Cosmic Awareness. A while back I saw a picture taken, I believe from the last Mariner Probe to Mars. It appeared as a huge stone carving of a human face with exacting features lying flat on the planet's surface, but many hundreds or thousands of feet in diameter. Can Awareness please comment as to the nature of this feature.

COSMIC AWARENESS:

This Awareness indicates this as one of many carvings on mars; that there are also pyramids on the planet. This Awareness indicates also there are artificial moons circling this planet. This Awareness suggests that Mars as having been inhabited by those various beings of whom Yod-Heh-Va-Heh or Jehovah was one.



Actual photo taken of Mars by Mariner Probe

This Awareness indicates that Jehovah not being a single entity, but being a commander. That the word 'Lord' as also of a similar meaning. This Awareness indicates that the commander, or the Lord Jehovah of Mars having cloned Adam and Eve on Mars to attend his garden, found certain failures in their expression, as indicated in the *Book of Genesis*, and expelled these entities from Mars, bringing them to earth. This Awareness indicates that earth had already been inhabited at that time, that these entities were an additional type of creation. This Awareness indicates that more information regarding this will be given at a later time.

This Awareness indicates that the United States with its space ships has also contacted Mars—that entities have flown there in space ships and have returned. This Awareness indicates that there are capabilities by an ultra-secret agency within the government which many top entities are not even aware of, and that this agency as being responsible for these space ships and the development of these craft. This Awareness indicates there also have been contacts with ultra-terrestrials from other vibratory rates, dimensions and planets—that the United States government, in certain agencies, is aware of these contacts; that other agencies are not aware, and therefore deny such information.

PRESIDENT OF UNITED STATES KEPT IN IGNORANCE

(A Caution from Cosmic Awareness on Releasing this Information)

QUESTION:

Is information of this nature automatically given to the President of the United States?

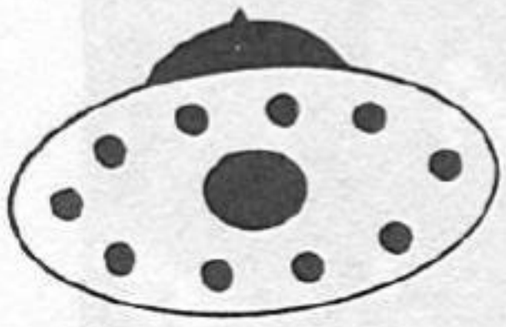
COSMIC AWARENESS:

This as negative. This Awareness indicates this information as withheld in certain secret divisions of the National Security Agency. There are questions being asked which this Awareness is attempting to answer with great care, for there is danger to entities in regards to this information being released, whereby other entities seek to keep this information hidden, and whereby others have been killed for even whispering or considering discussing this type of information. This Awareness indicates that this information being given at this time must be released with this understanding—that three to five years ago entities would have been killed for releasing this kind of information, and that there is still some danger.

This Awareness suggests that if you wish to know the answer, this Awareness will give what *It* feels you can handle. If you seek the answer for sensationalism or for the thrill of finding out secrets, this Awareness cautions you in releasing this information and finding that sensation, you may also find yourself in jeopardy, in danger. This Awareness suggests that certain of the information relating to the UFO's, to the CIA, to the Kennedy assassination, to all of these areas which have been deliberately kept hidden from the masses, that in releasing this information you are putting yourself on the line for possible annihilation from this plane. This Awareness indicates that wherein you are sensitive to the times, and wherein you see this kind of information being released, then it becomes less dangerous. This Awareness suggests that you look at what has been happening to the members of *Hustler* magazine, wherein these entities have been releasing certain information*. That there are forces detrimental, and that entities need to be sensitive and protect themselves from these forces, that the sensitivity to the release of information carefully as that which can prevent much harm.

This Awareness indicates this as likened unto entities whispering, wherein one whispers the secret which another has wished to keep silent; wherein the secret is circulated through whispers which gradually become louder and louder until everyone, together, is shouting out the secret. That this is a way whereby the one who would like to keep secret a truth cannot find the source to stop the truth from being released. This Awareness indicates for this reason, *It* suggests that much of this information be kept carefully until it is circulated all together for others to release as previously indicated in the UFO material. This Awareness suggests that wherein small portions are released to answer questions, wherein this information is of such a nature that it does not expose too much too fast, that this can be appropriate. This Awareness indicates you need not answer everything thoroughly in a question, that this Awareness can withhold information for your own safety, if desired, and let small amounts out, according to that which may be printed and released. This Awareness indicates however, wherein entities emanate that kind of desire to know it all, this Awareness finds that this channel opens up to allow all that information to come out, regardless of the danger. This Awareness suggests that the questioners and the Interpreter discuss this after the reading to determine whether you wish to continue opening up all of these areas, how the information shall be released, or whether you wish this Awareness to withhold some of the information in order to save you from having to determine what should or should not be printed at this time.

* Hustler Magazine had been releasing parts of the 'Gemstone File' which fingered Onassis as head of the Mafia and who with Nelson Rockefeller was head of the heroin connection. It also revealed the conspiracy behind the murder of President Kennedy. Larry Flynt, publisher of Hustler was shot in the stomach at close range (he survives as a cripple) and others in his staff were also attacked.



MYSTERIOUS BOOMING SOUNDS ON EAST COAST WERE CAUSED BY UFOs

(Excerpt from a C.A.C. General reading, Jan. 18, 1978)

QUESTION:

There have been a lot of stories in the paper lately and people are writing in about a series of mysterious booms or blasts that are occurring on the East Coast. These blasts are denied by the government as being sonic booms, or atomic, or military explosions of any kind. Some claim it's gas from garbage rising from the ocean and others claim it's UFOs. Would Awareness please explain what these mysterious blasts are?

COSMIC AWARENESS:

This Awareness indicates that there are seen patterns of energy originating beneath the earth's surface and also in the atmosphere above. This Awareness indicates these energy patterns as being created and controlled through electronic force fields. This Awareness indicates this as relating unto certain principles used and described in Einsteins's Unified Field Theories—that essentially, these are being affected from what may be called a paralled universe.

This Awareness suggests that these basically as relating to ultra-terrestrial intelligences that are making certain adjustments through energy fields between the intelligence of this plane and the intelligence of the inner plane.

This Awareness indicates that this also as affecting certain nuclear devices which have been planted along the Atlantic seaboard by Russian submarines. This Awareness indicates this relating unto devices planted approximately two years ago—that these are being affected in a manner that disarms or neutralizes their potential danger.

This Awareness suggests also that these activities are understood by certain intelligences of the U.S. government and the denials are in part true, yet in part false. This Awareness indicates that this as being monitored, watched and evaluated by certain military and scientific forces within the government. This Awareness indicates there are

also ultra-intelligences working in relation to these forces and as channeling information through the government intelligences. This Awareness indicates that there may be more information regarding this at another time–that essentially this is an activity based upon a physics that moves beyond the norm into realizations of parallel universal forces as described in Einstein's Unified Force Field. This Awareness indicates that this as a very difficult thing to describe for the average consciousness of this plane and as also being somewhat inappropriate in relation to the purposes of C.A.C., for too much explanation could lead to harrassment by these intelligences.

HOW ALIENS FROM OUTER SPACE HAVE INFILTRATED THE GOVERNMENT OF THE UNITED STATES

THE WEB OF CONSPIRACY..... (Part 2)

QUESTION:

A question from R.K., of St. Cloud, Minn., which came in during June of 1978, and was held in abeyance because at that time Awareness asked that we not question into this area. But in light of some of Dr. Beter's material, this particular question might prove enlightening:

"The people at the Summit Lighthouse are being taught about so-called robot people. They are supposedly laboratory-created skull-less humans, who have reproduced themselves since the time of Atlantis, when they were created. According to this source, there is a large percentage of these people in America today, particularly in the government, because they are easily influenced, and therefore manipulated by the Fallen Ones, who are ceaselessly working to overtake the earth for their own use. Would Awareness please comment on this?

COSMIC AWARENESS:

This Awareness indicates that this information is basically correct. This Awareness suggests that this be included in that material being released under the heading of UFO Project Reading.

This Awareness indicates that essentially these entities are being associated more with the synthetics this Awareness has described, than with the robotoids described by Dr. Beter. This Awareness indicates that explanations regarding both of these creations is available in other readings from C.A.C. This Awareness indicates that essentially this is well-known by certain departments in the government—that many of these have been involved in the government, and in fact, many of these robot-like creations have taken over certain departments of government.

The Movie 'Future World' Describes the Synthetics

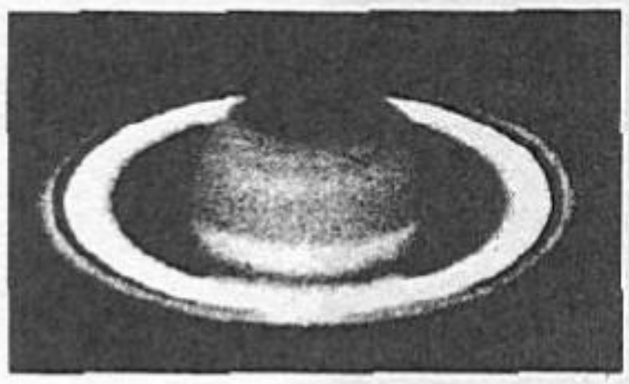
This Awareness wishes entities to consider that there have been several unusual movie plots during the past few years, which are not purely science fiction. This Awareness indicates that the movie *Future World*, wherein celebrities were taken into a new type of amusement park, and their doubles emerged, this being in the state of Nevada. This Awareness indicates this movie was, in actuality, based on the alien base which was in existence in the mountains above Las Vegas, wherein these synthetics were being created, and released into society after receiving proper training and programming and the necessary money for carrying out their assignments.

This Awareness indicates this movie as having had a substance based on reality. This Awareness indicates also that movie, *Invasion of the Body Snatchers,* wherein entities were being created who became doubles for humans and took their place. This Awareness suggests you consider this movie in light of the information which Dr. Beter has given on the robotoids.

This Awareness indicates also the movie *Star Wars* as that which depicted in a fiction form, an actual conflict which occurred in an area of Orion approximately 500,000 years ago, related to the planet known as Tyrantor—this along with other planets in that area, wherein certain portions of the Galactic Humanity Force became rebellious and began channeling the Dark Force from the plane of Hades, and this force working through those planets known as the 'Unholy Six' were quarantined by the Galactic Confederation. This Awareness indicates that this battle of these forces has been continuing for the past one half million years, up to the present time.

The Elohim Plant a Huge Computer in the Bowels of the Earth

This Awareness indicates that deep within the bowels of this earth is a computer, which is beyond the understanding of present science, which was placed here approximately one million years ago by a race of entities known as the Els, or Elders, who have since transcended time and space and moved into that which is Celestria. This Awareness indicates these entities also known as the Elohim. This Awareness indicates that these entities had the wisdom and understanding and capabilities of creating planets by manipulating magnetic forces and electric fields so that the mass would move into these vertices to create those planets, and follow the magnetic field set up by their forces.



This Awareness indicates that these Elohim are those mentioned in the *Book of Genesis,* which in your English translation states, "In the beginning God created the Heavens and the earth." This Awareness indicates the original writing stated, "In the beginning, Elohim created the heavens and earth "—Elohim being translated into the word God. This Awareness indicates the word Elohim as being plural, therefore the translation as inaccurate, and the true meaning, "In the beginning, Gods created the heavens and earth..."

This Awareness indicates that this as a reference to the consciousness, or the unified consciousness of all the entities who were One in the universe, who came from the Universal Consciousness—that, in effect, created the light by joining together, and created the matter by exploding outward. That these entities may be likend unto universal atoms, universal particles of Being, and these entities, or universal atoms are the atoms which make up the body of the Universal God—yet, each as having its own individuality unto itself, even though it is part of the Universal God.

This Awareness indicates that the entity, Jehovah, which appears upon the scene many billion of years later as a genetics expert, a culturist, a teacher of civilization—this entity, or rather these entities known as Jehovah entities, were represented not as the Universal Creator, but as somewhat petty beings who became jealous, possessive,

demanding; who created over 100 laws for their followers, which were impossible not to break—some laws even conflicting with other laws, creating demands such as 'Thou shalt not kill,' while at the same time demanding that Abraham slay his first-born son. These entities, known as Jehovah, were not the divine universal creators—these as being tribal gods for those clones which they created and left to multiply fruitfully upon the earth.

This Awareness suggests that you consider the question: Where did Adam and Eve find the daughters whom Cain and Abel were intended to marry?

This Awareness indicates that these daughters, which became wives, already existed from a lineage that existed before Adam and Eve were created. This Awareness indicates there were also others upon the earth.

Jesus Not a Hebrew, but an Elohim

This Awareness indicates that the entity Jesus was not the son of Jehovah, but was one who was an offspring of the Elohim, and descended to earth in an action designed to liberate the Jews from the control of Jehovah—the liberation taking place through his action of following around the areas, each place which Jehovah and the Jews, or Hebrews, had experienced and made sacred in their teachings.

This Awareness indicates the Hebrews were expecting a space ship of Jehovah to return in power and slay their enemies.

This Awareness indicates that essentially, the entity Jesus, coming and claiming to be the Messiah, was a great disappointment and was totally unacceptable to the Hebrews who were told through their religions, and the passing down of their history from father to son, from mother to daughter, that their god was a god of power, vengeance, and of great protection, and one who would slaughter and slay their enemies. The entity Jesus as coming back and personifying love and mercy, in itself, was unacceptable to many of the Hebrews.

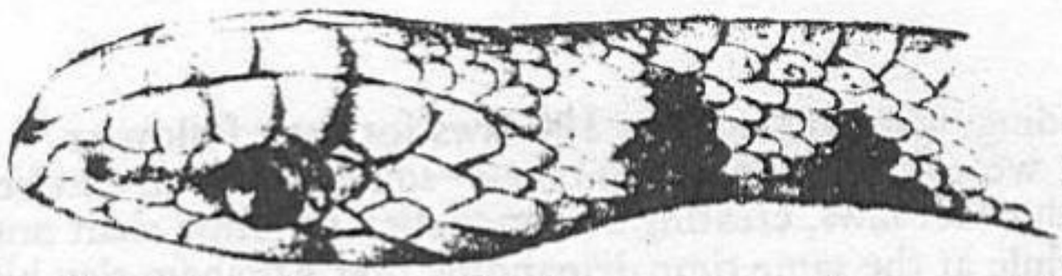
This Awareness indicates that the entity Jesus was, in fact, not one of the Jehovah, but one of the Serpent People, or those entities who were the followers of the Elohim—the entity Jesus as being an Elohim himself.

This Awareness indicates that this entity as having come from Celestria, and having descended into the physical plane for this special mission. This Awareness indicates that essentially, this story which the entity Jesus told, as being correct. That the entity did move, in fact historically, to all the places which had been prophesied by the Hebrews and their scribes, wherein the Lord would come and return.

This Awareness indicates that the entity, however, instead of coming in a spaceship of great power to Jerusalem, this entity rode a donkey into Jerusalem. This Awareness indicates that this entity as expressing humility and mercy and love in a manner that totally contradicted the power force which the Jehovah had exemplified.

This Awareness indicates that the Elohim, being referred to as 'Serpent People', this as a symbol for their spaceships—that the serpent as also seen in many cultures: the Egyptian culture, the Incan culture, wherein the serpent was seen as headress, coming up over the head of the entities. This Awareness indicates this as symbolic of the spinal fluid, the kundalini fire, or kundalini energies rising from the base of the spine unto the pineal and pituitary, moving up the spine into the head. This symbolism of the serpent as related unto higher consciousness, or cosmic consciousness. This Awareness suggests that this not as being a reference to the snake as entities believe from the reading of the Jehovah book of Genesis, wherein the serpent was made to crawl upon his belly. This Awareness indicates that the serpent, known as the snake, is nothing more than an undeveloped human being—an entity who has not yet evolved to the point wherein he has seven chakras, organs, arms and legs.

This Awareness indicates that in one sense, Jehovah did capture that serpent person, or the entity who was teaching his clone, Eve, and did use genetic influences and experiments upon this entity and removed his arms and legs and made this entity into the form which resembled a serpent, a snake. This Awareness indicates that this as being a particularly isolated case of vengeance rather than a universal creation.



This Awareness indicates that the serpent, or snake has existed longer than Adam and Eve, and the snake as you know it today did not have arms or legs to walk around in or did not speak to entities in the manner described. This Awareness indicates that essentially, the serpent discussed in the *Book of Genesis* as being an Elohim, a person who was a follower of Elohim. That this as an entity of high consciousness which was concerned with the experiments and controls and the slaves which were being created through the cloning process of Jehovah entities on mars.

This Awareness indicates that the Space Confederation had warned the Jehovah entities against this kind of program whereby slaves were created through genetics of the cloning process, but that the Jehovah continued; and that these entities were classed as something on the order of a present day heretic, or what may be presently termed a fringe area scientist. That the Jehovah entities were not concerned with the over-all good of the universe so much as with their own projects and creations, and this had a disturbing effect upon many.

This Awareness indicates that the Jehovah entities were not related unto the entities of Orion who were creating the extreme power and control trips of moving from planet to planet for conquest; yet the Jehovah entities were somewhat between that which may be called the followers of Lucifer and that which would be called the followers of Elohim, or God. This Awareness indicates that these entities, being in between, were simply playing gods in their own way—likened unto renegades or small-scale creations inside a larger creation, wherein the larger creation was being watched by the Elohim, with the Jehovah creating their own small empire within that; and the Atlans or Tyrantians seeking to create a power-hold and base for conquest within that.

'Mark of the Beast' System Originally Used on Tyrantor

This Awareness indicates that the city of Tyre as having become a base for the Tyrantians, who began to set up their system there. This Awareness indicates that in a recent *Plain Truth* magazine, an article stating that the present day system which is presently being discussed--whereby the mark or number of each individual is to be tattooed upon their hand for identification, and electronic-fund-transfer being used in lieu of money--that this system was originally used in the city of Tyre--whereby entities' hands were marked and they were identified in this manner, and the central bank in Tyre kept track of them and their service, their work and their earnings with this mark. This Awareness indicates that this essentially has been brought from the planet of Tyrantia and its neighboring star systems to the earth, and there is the attempt at this time to implant that system upon the earth.*

This Awareness indicates that the Jehovah as having assisted somewhat in this by allowing certain factions of the Atlans to enter and to influence the clones. This Awareness indicates that essentially, however, the influence on these entities as coming from those who are residing under the surface of the earth, still having their power in those areas and influencing entities on the surface. This Awareness indicates this relates unto the entity known as Ahriman, the Anti-Christ.

This Awareness indicates it matters not whether entities recognize the Elohim, or the Universal God, as the Creator. What does matter is that there is an ancient past history upon this earth, and there has been a battle taking place between Forces of Darkness and Forces of Light, in an effort to gain control of this earth in order to use that computer previously mentioned, which would then give great power in controlling planets nearby.

Certain Spiritual Organizations are Being Mislead by Entities Communicating from Orion

This Awareness indicates that the forces of darkness have begun losing their grips, and are presently being driven from this planet, and the planet as being moved into greater and greater light from the Galactic Confederation as it is being freed from its karmic destiny under the control of the Dark Forces from the Unholy Six.

This Awareness indicates that there are some concerns in regard to the information relating to the Unholy Six, whereas certain spiritual groups on this plane consider that the forces from Orion are of a high spiritual nature. This Awareness indicates these organizations often object to the information given by this Awareness in regards to the Unholy Six. This Awareness indicates that it is true that there are both extremely high vibratory planets in the constellation of Orion, but it is also true that there are Dark Forces in that area also. This Awareness reminds entities that the constellation of Orion is quite large in terms of space—that there are many light years between the various stars which make up that constellation.

This Awareness indicates that the other movie recently released, depicting certain information regarding the UFO phenomenon is that known as *Close Encounters*. This Awareness indicates that the entity Dr. Hynec, who was an advisor on this as a UFO research expert, assisted in the production of this movie. This Awareness indicates that the white creatures

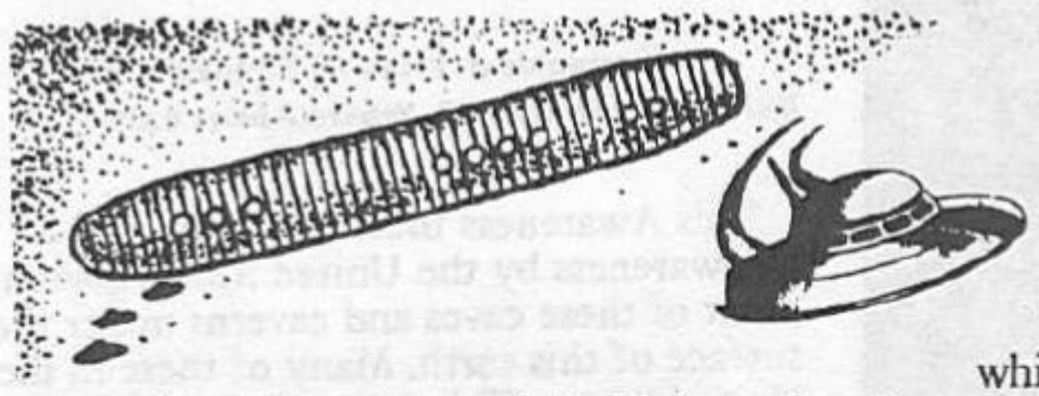
*Please refer to 79-1 (The Gathering Storm) for present day information on this system.

inside the UFO at the end of the movie were presented as friendly and harmonious extra-terrestrials, giving the implication to the audience that these entities were basically benign. This Awareness indicates however, that in reality this particular type of alien is a creation similar to the synthetic, this being a kind of biological robot—the entity being created using the brain and spinal nerves and other various parts from cattle and being created as an artificial life-form—these used basically by those of the Alien Force for purposes of their own.

Avoid Contact with UFO Creatures with Cow-Like Eyes

This Awareness indicates that essentially any entity coming in contact with these creatures would be wise to avoid further communication or contact of a close nature.

This Awareness indicates that the Galactic Confederation UFO personnel look human in their appearance. This Awareness suggests that these entities as being quite good looking, and being capable of communicating telepathically in your own language, therefore entities meeting with these can feel basically secure. This Awareness suggests however that those of the Alien Force also appear as human in shape, therefore entities must be cautious.



BEWARE OF CIGAR-SHAPED UFOs

This Awareness indicates that the cigar-shaped UFO and that which appears like a kind of squared off garbage can lid, these are not from those areas of the highest vibrations. This Awareness suggests that these be avoided. This Awareness suggests that any entities coming in contact with this type should not expect the best treatment. This Awareness suggests that those which appear as teardrop shape are those which are benign and friendly. This Awareness indicates this being similar to the teardrop or flattened edges or those with windows, those being curved—this Awareness suggests that any entity being contacted by these will immediately experience fear or feelings of attraction—that your own intuition can assist you in making the decision as whether to contact these entities or whether to avoid these entities. This Awareness indicates that this contact generally will occur on the psychic level before actual contact would occur anyway.

This Awareness suggests that the purpose of this message is to inform entities that not all UFO beings are benign. This Awareness indicates that this is known by certain members of various departments of the government, for there are teams who have been employed during the last two decades to search out certain UFO bases and to attempt to blow up caves in which these were based, or to rid the area of these aliens. This Awareness indicates there essentially has been a very secret battle occurring on this earth regarding UFOs. This has been occurring since the release of the first atom bomb, which began triggering off the increased activity of these beings.

THE DIFFERENCE BETWEEN SYNTHETICS AND ROBOTOIDS

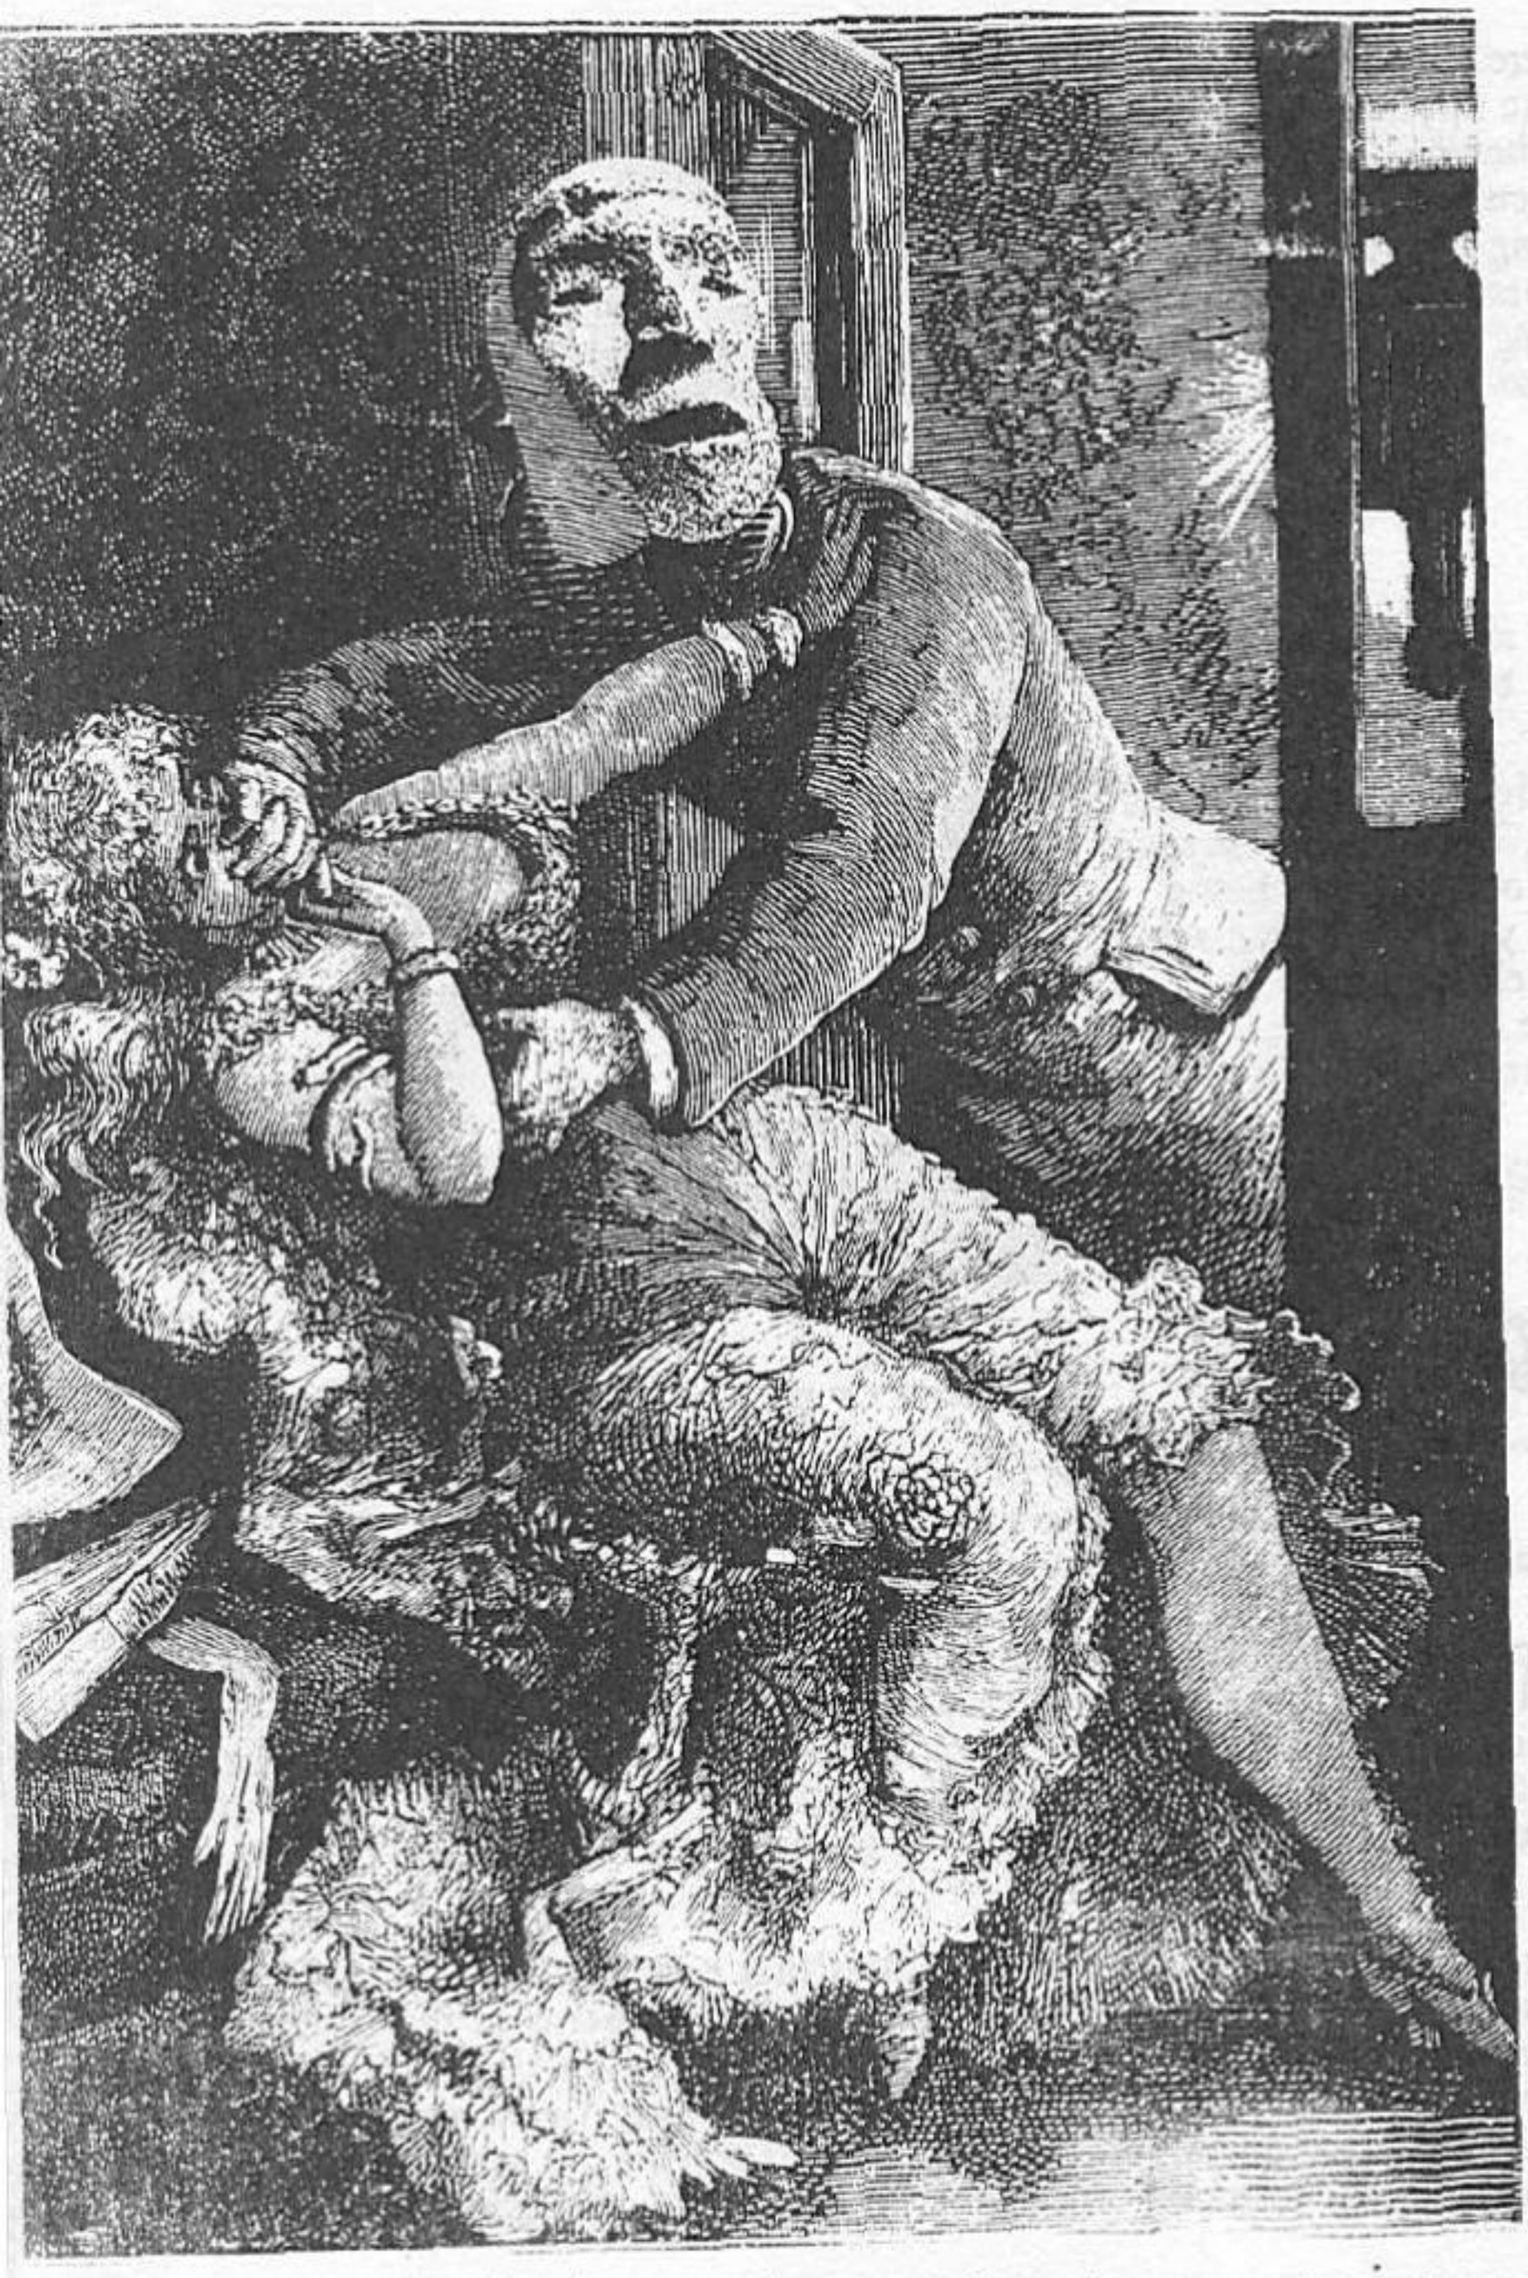
QUESTION:

Would Awareness expand on that part of the question where it said, "These entities have reproduced themselves since the time of Atlantis, when they were created." Is that correct?

COSMIC AWARENESS:

This Awareness indicates this as being essentially correct—that these entities as being somewhat more refined than the robotoids or the synthetics. This Awareness indicates that the synthetics as being creations by the alien UFO invaders—the word invaders as not exactly appropriate, as these entities have been here for so long. This Awareness indicates that the synthetics being created from parts taken from humans or from animals and certain processes involving decompression chambers and various nutrients and magnetics.

This Awareness indicates that the robot-like humans which the Summit Lighthouse is referring to are basically humans or humanoid in appearance and capability. The greatest difference between themselves and humans is that they have not been infused with the higher spiritual vibrations, but are more closely aligned to animal vibrations. This Awareness indicates however that these can mate with the human being and in this manner receive the divine vibrations. This Awareness indicates these also can develop over long periods of time to tune into spiritual or divine energies.



This Awareness wishes to define the term 'divine energies'--these being energies which allow for identification with universal harmonies as opposed to simply self-oriented vibrations. This Awareness indicates that generally however these beings are self-centered to an extreme, and may not even have the ability or concern for self-preservation, but simply have a strong appetite and desire to acquire or to obey an inner programming which has been passed on through the genetic code of the being.

This Awareness indicates that generally these creatures remain below the surface of the earth as subterranean creations. These not however emerging to the surface except for certain assignments and purposes and these also not generally emerging in that area known as Middle Earth --that these entities generally remain in caverns and caves and tunnels deep under the surface of the earth.

Thousands of Miles of Tunnels Exist Beneath the U.S. Where Aliens Exist

This Awareness indicates that there is an awareness by the United States government of these caves and caverns under the surface of this earth. Many of these in the United States. This Awareness indicates that there is in fact an organization called the 165 Mile Club which is made up of entities working with the government who have been 165 miles deep into the subterranean caverns. This Awareness indicates that *It* wishes to warn entities to stay out of these caves and caverns, as there is grave danger in these, particularly in those which are remote and not visited by tourists. This Awareness indicates that generally those which are known as tourist attractions are not used by these subterranean beings.

This Awareness indicates that essentially the earth surface is catacombed with many tunnels, that there are also areas where there is much hot lava---these areas of course are not used by these beings and the tunnels avoid contact with such areas. This Awareness indicates that there are tunnels running approximately 4,000 miles from the Eastern part of the United States to an area in Arizona and into areas north to Vancouver, approximately 1800 miles. This Awareness indicates there are many other branches and caverns comingoff of these. This Awareness indicates there are also tunnels in South America, Tibet, in various places in Europe---these running underground. This Awareness indicates there are even tunnels which move beneath the ocean floors, linking the continents together.

A GLIMPSE OF LIFE BENEATH THE EARTH'S SURFACE

EDITOR'S Note: the following is an excerpt from a general C.A.C. reading given November 7, 1978. The question asked concerned an article one of the membership sent in taken from a tabloid which related to an entity who had 'died' on the operating table, experienced a horrendous trip to 'Hell' and then was brought back to life after heart massage by doctors working on him. I am including part of the response to the question because it leads into a rap by Cosmic Awareness which concerns life beneath the surface of the earth.

COSMIC AWARENESS:

This Awareness indicates the experience of this entity could be explained in two statements: By believing in Hell, and by believing one deserves to go there. This Awareness suggests however, there are more levels to this; for though that answer is complete in itself, it still creates a reality for many entities.

This Awareness indicates that there are many creations in consciousness whose energies are real unto themselves. This Awareness suggests that all is imagination, including that which you call 'reality'–that energies which come together on various vibratory rates create that which may be called matter; yet if these material images are picked apart, one by one, each will be nothing other than sound, heat, light, rays, or mind or gravity. This Awareness indicates these vibrations create that which appears to be reality, or matter. This Awareness indicates that these vibrations, mingling together, create that which may be called 'reality' and that wherein an entity is experiencing on one of these particular levels of reality, other levels of reality may seem to be 'unreal'. This Awareness indicates that wherein an entity moves into that other reality, the reality which was just left will be unreal, and the new reality is that which is real.

This Awareness indicates that real means 'realized' and wherein an entity is *experiencing something*—that is real. This Awareness suggests that wherein an entity dies and moves into a level of consciousness which believes in hell, which believes that they are to be sent to hell, then that consciousness will realize, or make real, that hell. This Awareness indicates this realization comes from the experiencing, which is imagination; but wherein more than one entity imagines this, that image becomes reinforced and has greater energy. Wherein countless hundreds, thousands, or millions image a hell, they are indeed creating that hell in that other realm, so that entities may participate in those levels of experience.

This Awareness suggests that the purpose of this Awareness in coming at this time is to diffuse extremes in consciousness, to reconcile polarities, to alleviate the suffering, sorrow and tragedies, not only on this earth plane, but also on other realms. This Awareness indicates that wherein entities energize concepts of hell, fear, hatred and demonic tortures, that these will simply grow stronger. This Awareness wishes that entities not to identify with hell, not to associate their actions with hell, nor to assume that they are going there. This Awareness indicates that this as a gross exaggeration, and those entities who exaggerate or have these beliefs and fears, whether conscious or unconscious, these are the entities who will be given that experience in order that they may satisfy the guilt feelings and beliefs that they must be punished for their sins.

This Awareness indicates that in another level, this experience as related unto that which is deep into the earth–not the center of the earth, but deep into the shell of the earth. That there are certain subterranean entities who are demented and demonic in their deteriorated states of consciousness. These are the lower realms of humanity. These are described in Richard Shaver's experiences in terms of his journeys through the caves and into those caverns beneath the surface. This Awareness indicates these entities are called Deros. These are also the entities who have inspired many legends and other types of philosophies and religions.

Detrimental Robots (Deros) Live Beneath the Earth

This Awareness indicates that these so-called Deros are also the basis for certain folklore such as gnomes and elves, goblins, trolls. This Awareness indicates that the folklore relating unto these entities has changed somewhat and that many of the so-called gnomes, trolls, elves and imps, that many of these are now projected as being nice little fellows. This Awareness suggests that this is a way of reconciling, or healing, or diffusing the fear and hostility and so-called evilness of these entities, so that they may cease to be the garbage can for human hostilities, fears and enemies.

This Awareness indicates that those so-called Deros, or Detrimental Robots, those entities living beneath the crust of the earth—this Awareness indicates there are many types of entities beneath the earth; that those closer to the center itself are of a highly evolved nature, whereas those who are sub-surface entities, these are somewhat demented by the effects of living underground for so many thousands of years. This Awareness indicates that these Deros, or detrimental robots, or whatever name entities desire, are human beings who have regressed through misuse of power, through excessive and continued self-indulgence, and through greed, lust, competition, and joy in sadistic expressions.

This Awareness indicates that occasionally these entities surface, particularly through certain buildings which are often built in a way to allow an opening into the subterranean levels, and occasionally these entities walk around on the streets of your cities, and occasionally these entities have even been known to kidnap others. This Awareness indicates these entities are not astral beings, are not entities who are being imagined or experienced after death. These entities are as real as you, *and in this particular dimension of reality which is yours.* This Awareness indicates that these entities are tools of the Alien Force—that the Alien Force expresses through these entities, that they are essentially slaves of the Alien Force, as also are many of the creatures known as Bigfoot, or of the similar types of hairy monsters.

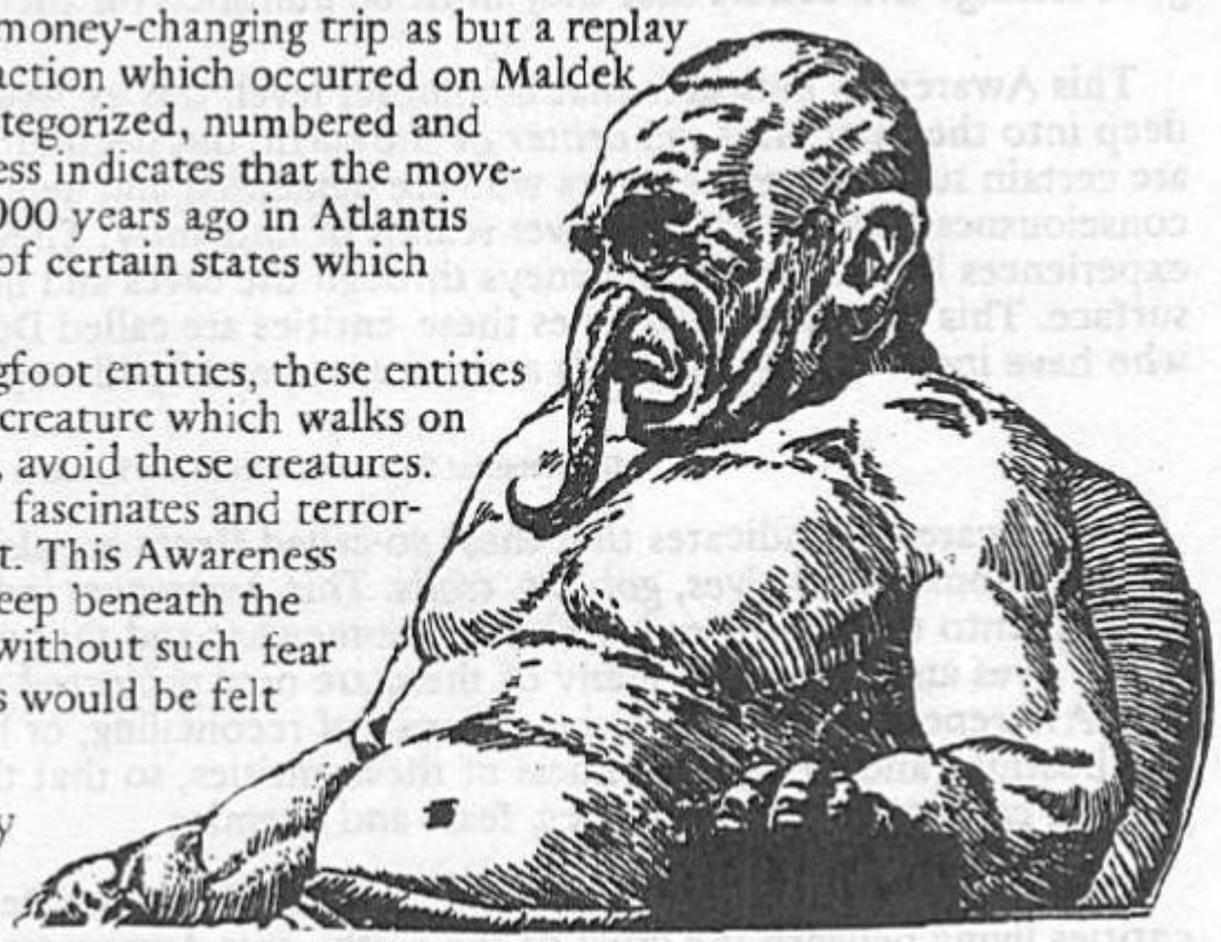
BIGFOOT ENTITIES WERE ONCE HIGHLY EVOLVED

This Awareness indicates that these Sasquatch-type entities do not care to move too closely to humans on the outer surface of the earth. This Awareness suggests these entities having great karma to work off, yet fully aware of their karma and very lonely entities. This Awareness indicates these entities having a type of consciousness which allows them to know precisely where any other human is within a two mile area of their being and can move away from these humans very easily through that psychic understanding.

This Awareness indicates these entities as having extremely high beings in that civilization (on that planet Maldek which was destroyed), having great responsibility and misusing that responsibility, and in that misuse did lead to the devastation of that planet. This Awareness indicates this occurring approximately 300,000 years ago. This Awareness indicates that the movement of the entities through states of reincarnation: as these souls moved into the earth's sphere, these entities were outcast by the rest of consciousness upon this plane and those inner planes within the earth's sphere; and these entities do live alone with some communication relating unto beings who have greater understanding and who can work with these entities.

This Awareness indicates that 85% of the souls upon this plane have lived on Maldek and this as the Luciferian consciousness which is being worked off as part of the Earth's karma. This Awareness indicates this as being dissolved. This entire Illuminati, money-changing trip as but a replay of the memory of the action which occurred on Maldek wherein beings were categorized, numbered and enslaved. This Awareness indicates that the movement which began 60,000 years ago in Atlantis was but a recollection of certain states which began on Maldek.

This Awareness suggests that in reference to Bigfoot entities, these entities understand the terror they instilled in the human creature which walks on the surface of the earth and therefore, by instinct, avoid these creatures. This Awareness indicates that it is this fear which fascinates and terrorizes the human mind when thinking of the Bigfoot. This Awareness indicates that those entities on the inner plane, deep beneath the earth's surface, are capable of relating to Bigfoot without such fear and without the type of curiosity and hostility as would be felt by the entities on the surface of this plane.



A Dero as described by Richard Shaver in his books, 'The Hidden World'

This Awareness indicates that it shall eventually become necessary for entities from this plane to release their hostility and their subconscious fears of these entities, and in this action the karma that has been held by these entities shall begin to dissolve, and the lamb shall lie down with the beast and the beast shall find a place of rest in the arms of this Awareness.

Many UFOs Come From Beneath the Earth

This Awareness indicates that many of the UFO's are from this subterranean level and are piloted by these Deros, or by other mechanical creatures such as the synthetics, which are made from parts of entities or animals such as cattle. This Awareness indicates that the cerebral and nervous systems of cattle are often put into these synthetics, and the synthetics then are given life, and are used, are inhabited by astral beings who enter those bodies and serve as owners for those bodies and receive their programming from the Alien Force.

This Awareness indicates those entities known as MIBS, or Men in Black, which often show up after UFO sightings—these entities also are from this lower region, that these entities also assist the Alien Force. These entities have the capacity to move from one dimension to another, may enter into a physical body from an astral level. This Awareness indicates that these entities also are connected with that which has been described previously as the Illuminati, and that which is the Anti-Christ, and this shall eventually be made more clear to entities as the information surfaces on many levels. This Awareness indicates that this information which has just been given may be withheld for future publication along with other UFO information. This not to be released at this time.

This Awareness indicates that there are very sinister forces working upon this plane, and within the caverns beneath the surface of the earth. These forces do need to be understood, but these forces must be understood in a manner whereby they may be disarmed, rather than feared. That it is possible to change the basic motivation of these aliens, that they may rejoin the ranks of the merciful.

UFO PUTS PROTECTIVE SHIELD AROUND HOME AND OFFICE OF STAFF OF C.A.C. AND THE INTERPRETER, PAUL SHOCKLEY

QUESTION: (From Vikki T.)

Would it be appropriate to ask a more personal, possibly UFO related question at this time?

COSMIC AWARENESS:

This Awareness indicates this in the affirmative.

QUESTION:

If what we felt was a UFO that woke us up and hung around roaring for about an hour, at 5 AM one morning recently, was one, would Awareness please comment on its purpose or give any appropriate information?

COSMIC AWARENESS:

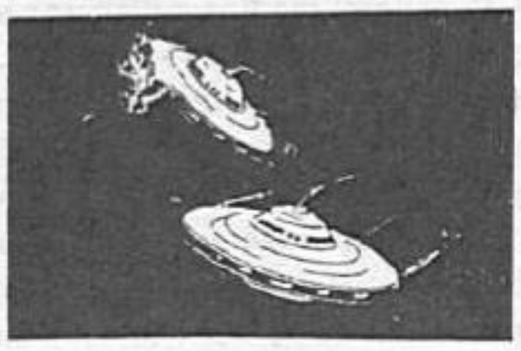
This Awareness indicates that this in the affirmative. This Awareness suggests that this as monitoring the energy field, and setting up a shield of protection of this area, around your place of work and living.

This Awareness indicates this also occurred in the area wherein the Interpreter resides, during the fall of '78, and again at a later time as a reenforcement of that energy field.

This Awareness indicates that these entities from the Galactic Confederation assisting in the release of this information, as allied with this Awareness.

This Awareness indicates that when the UFO material is released, this Awareness suggests that this be presented so that others may receive permission to recopy, reprint this information, if C.A.C. or the *Aquarian Church* should in any near future be shut down or stopped from such printing, or if receiving permission to reprint this material from these organizations.

This Awareness suggests that this material may be placed into a booklet for sale to your membership and others. This may also include certain excerpts or references to other related material which has been released furing the past year and may also include an editorial summary or explanation to to make the information more easily understood. This Awareness indicates that this also may include excerpts from various readings which apply, or you may extract certain portions of the material which appear unnecessary or redundant. This Awareness indicates that essentially this may be edited by yourself, to allow for the best publication of this material which is available, according to your own standards. This Awareness indicates there is still a small portion of information regarding the UFO phenomenon, this in reference to the various shapes and types of entities, their origins and purposes. This Awareness indicates however that this information as not particularly pertinent at this time, and that other organizations can release information regarding this, or this may be released at other times.



EDITOR'S NOTE:

This concludes the basic introductory information on the UFO phenomenon. The reading which follows is a condensation of this material and the classified reading given by Cosmic Awareness on October 11, 1978 which was sent on tape to different entities to release one year from that date in the event this information was prevented from being released by C.A.C. During that period the Beast was looking in our direction, Awareness warned, and the probability that C.A.C. would be stifled was a grim possibility. Thanks to the Russians, C.A.C. is still in business and the Beast forces are being dismantled; the threat has been greatly lessened.

It is our fervent desire that all of you reprint all or part of this material and distribute it far and wide. The material that follows is the reading that Awareness particularly requested be reproduced and spread widely. We suggest that those not wishing to reprint this entire UFO report, to reprint the following material which tells the basic story.

Cosmic Awareness Communications

P. O. Box 115, Olympia, Washington 98507

COSMIC AWARENESS is the Force that expressed itself through Jesus of Nazareth, the Buddha, Krishna, Mohammed, Edgar Cayce and other great avatars who served as 'Channels' for the 'Heavenly Father' and who speaks again today as the world begins to enter the New Age of spiritual consciousness and awareness. Since 1963 Cosmic Awareness has been communicating through certain carefully-trained channels. The information contained herein was received from deep, super-conscious trance states and 'interpreted' by an entity affiliated with C.A.C. This information is for those who desire to help in bringing in the New Age and those who shall inherit the New Age. Throughout the many thousands of 'Readings' given through these channels, Cosmic Awareness repeatedly tells us not to believe anything, but to question, explore, doubt, and discover for yourself, through your own channel, what is the truth. Cosmic Awareness will only indicate and suggest. Members of Cosmic Awareness Communications are invited to send in questions of general interest for possible publication in this Newsletter.

UFO Aliens Attempting to Bring About 'Mark of the Beast' System as Foretold in the Book of Revelations

(Classified Reading given October 11, 1978)
Paul Shockley, Trance-Interpreter

EDITOR's NOTE:

The following information is taken from the C.A.C. general reading which appeared later as part of 'The Gathering Storm', following the question relating to the book by Ron Steele, 'The Mark is Ready--Are You'. The information which follows relating to the UFO conspiracy was withheld because Cosmic Awareness indicated enough was being exposed in that particular reading without the alien forces directing their attention in the direction of the Interpreter and the C.A.C. organization---that this information was to be released one year from that date. As this is being printed in August of 1979, Awareness indicates the threat of the UFO entities is still with us. Although the Beast machinery is being dismantled and the Russian robotoids are now directing the government business in the United States, this information should be released now to the general public which will help to expain what has occurred behind the scenes when the announcement is made by the Russians that they have taken over the government of the United States and that the global machinery for nuclear war is being dismantled and a new reign of peace and prosperity will begin. That the future production efforts of the United States will be directed in raising the consciousness of the Third World nations.

(Conclusion of the reading presented on page 12 of the 'Gathering Storm' (Revelations of Awareness No. 79-1)

COSMIC AWARENESS:

This Awareness indicates that the U.S. Labor Party as recently releasing information regarding the nature of that which this Awareness has called the Illuminati, the Black Illuminati. This Awareness indicates this paper by the U.S. Labor Party as a supplementary magazine titled *Black Internationalists--The Knights of Malta*. This Awareness indicates the information given in this paper as being accurate and being in greater detail than has been given through this Interpreter. This Awareness indicates that the information given by the U.S. Labor Party as having been referred to last Spring wherein this Awareness stated that the Beast was coming out to be seen. This Awareness indicates this information released during the months of July, August and September into consciousness through the work of the U.S. Labor Party.

This Awareness indicates that more information from this organization is being released. This including information relating unto the recent murder of the Pope. This Awareness indicates that essentially this organization known as the *Knights of Malta* and its various branches is being exposed. This Awareness indicates this as being only one part of the Beast, yet this part as being of such great magnitude in the affairs of humans that it will as being the total picture.

This Awareness suggests that much of this information being given at this time must be withheld for safety of those involved in this work. This Awareness suggests that the information be held back briefly--that portions of the message previously given be released--those portions which will allow entities to have the opportunity for examining the book by Ron Steele. This Awareness wishes to give more information in regards to that which is occurring, yet wishes also to protect those who are working to channel this information. This Awareness suggests that the timing is not right for this information to be released at this point in a manner that still will guarantee the freedom and protection for the Interpreter and those who are releasing the information to the membership. Therefore, this Awareness suggests this information be withheld until this Awareness indicates otherwise. This Awareness suggests that in reference to the information previously given in this particular question, that the book by Ron Steele as accurate and the probability of the Stock Market Crash and the coming depression, and the implementation of the Executive Powers and the references to the Constitution and the U.S. Labor Party and its release of information as indicated throughout this summer....this Awareness suggests that this information be released.

This Awareness indicates that the information being given NOW as that which needs to be withheld. This Awareness suggests that the information relating unto the Beast, the *Knights of Malta*, as being only one part of the Beast--that this information be withheld temporarily until this Awareness indicates. This Awareness does not wish to jeopardize further future activities regarding the work of *Cosmic Awareness Communications* or the *Aquarian Church*.

Knights of Malta--St. John's Cross of Jerusalem Control Banking Systems----One Tentacle of the Beast Controlled by Aliens from Outer Space

Sovereign Order of Saint John of Jerusalem
✠ Knights of Malta ✠

This Awareness indicates that the organization known as the *Knights of Malta*, or the *St. John's Cross of Jerusalem*, as being that which is in control of the banking systems and as representing one arm of the Beast with many branches, or tentacles, attached to that arm and reaching down into society.

This Awareness indicates that this is not, in fact, the head of the Beast.

This Awareness indicates that this organization receives its power from aliens. These being both within the interior of the earth, working upon the surface of the earth, and having their origin in the Unholy Six--that area in the vicinity of Orion.

This Awareness indicates that this information as relating unto that which will be further discussed in the UFO readings.

This Awareness indicates that essentially, approximately 500,000 years ago, the Galactic Confederation cordoned off six planets in the area of Orion, for they were spreading war and violence throughout the inhabited planets; and these planets, over long periods of time, have continued in their struggles to conquer one planet after another.

This Awareness indicates that the earth is essentially in the grips of a war between planets, and has been for 12,000 years in an intense level; and prior to that, in a less intense level, for approximately 60,000 years. This Awareness indicates these entities from those other realms have the capability of transcending, or transmuting, certain vibratory rates in the electromagnetic spectrum and traveling from place to place in the universe. This Awareness indicates this relating unto that which has been termed Hades and Celestria. That those in the vibratory rates known as Celestria as being capable of extending high levels of energy to entities upon this plane for healing purposes; yet these entities are not allowed to interfere with the destiny of entities upon this plane unless requested and unless invited.

This Awareness indicates that the entities from that vibratory rate known as Hades as having invaded upon this plane and having set up camps in physical levels and as having begun using entities both *on* the surface and *beneath* the surface for their purposes of conquering the Earth as well as other planets. And these entities as being among the forces which are attempting to present the controls using the computers and branding of the people for their own slaves.

This Awareness wishes entities to understand that the forces of Celestria and the forces of Hades are not competing with each other over the human soul, but rather have an agreement with each other that those who are of a higher vibration, who seek not to be given all that which would gratify their personal lusts and greed and power desires, those who would serve others and love others, are those which, by the agreement, will be allowed to enter into those vibratory realms known as Celestria. Those who are seeking to preserve self at all costs, at the price of concern or love for others, those who seek security, who are willing to become slaves in order to survive: these entities who are willing to harm others in order to save themselves--these are the entities who will be susceptible to the branding action of those from Hades, and these entities shall indeed be given the citizenship of that area known as Hades--that vibratory rate.

This Awareness indicates that in the case of children or those who are unable to discern clearly, those who are ignorant of what is occurring, that many of these have already taken upon themselves the attitude and their particular course of movement, in terms of their soul, is that which shall be the determining factor of their fate.

This Awareness indicates that in relation to the following information, this Awareness asks that this not be given at this time--that when this is released there is to be more information released in an entire package to accompany this.

25% OF U.S. GOVERNMENT IS CONTROLLED BY ALIENS

This Awareness indicates that approximately one fourth of the government of the United States is controlled by aliens. That essentially, the television show called *The Invaders*, which was presented some years back, as having been an accurate depiction of what was occurring.

This Awareness indicates the government itself confiscated those films and burned them to prevent this information from being shown further.

This Awareness indicates the *Project Bluebook** once had twelve hundred employees--there are now thirteen of these entities still alive--for they knew too much.

*ED's Note: 'Project Bluebook' was a federal research group, started in 1946, to investigate the UFO phenomenon.

This Awareness indicates that essentially, the movie *Star Wars* depicted that galactic battle which occurred 500,000 years ago between those forces of the Empire --or the Unholy Six.*

ED's Note: Awareness indicates some years back that it had channeled the Star Wars scripts to George Lucas. This reading appears on page28 of the book, Cosmic Awareness Speaks' ($3.00 from C.A.C.)

This Awareness indicates that this between the Unholy Six and the Inter-Galactic Federation. This Awareness indicates that the rebels represented in the *Star Wars* movie as that which was in reference to those who had come under conquest of the Empire and wer seeking to break free.

This Awareness indicates that in present time, there are those UFO's which are from Celestria and those which are from Hades, and those which are from Terrestria. That those from Terrestria are owned by the governments of the United States, Britain, Russia, and Argentina. This Awareness indicates those from Hades come from areas near the surface, but beneath the surface of the earth, and are linked with that creature known as Big Foot.

This Awareness indicates these creatures as being servants. This Awareness indicates that many of these UFO's are controlled remotely--others by robots, or those which are called 'Synthetics'.

SYNTHETICS BEING MANUFACTURED IN MOUNTAINS ABOVE LAS VEGAS

This Awareness indicates that these synthetics as being created from an action similar to cloning, yet in part using certain flesh from animals or humans, particularly common is the use of the cerebral and nerve system of the cow. This Awareness indicates that these synthetics are put together and are indeed living creatures in which astral beings may enter to work through upon this physical plane. This Awareness indicates these entities also are capable of creating synthetics who look *exactly like other living persons* upon this plane. These entities being trained in an area in the mountains near Las Vegas, Nevada, given information regarding the person who they are to replace, given background, childhood experiences, memories, being given programmed memories of that childhood, and identification to allow them to slip in and fill the role of that person.

This Awareness indicates that often there are created sets of synthetics who are identical in appearance, but are placed in various areas so that they are not spotted or recognized as being the same person in two locations. This Awareness indicates these entities generally are operating from a rather obscure position in society whereby they do not call attention to themselves by their occupation, but these entities as generally having vast amounts of money. This Awareness indicates this as given to them before leaving the training area in Nevada -- this at present as being approximately three to five hundred thousand dollars. This to allow them to mingle in society and serve as agents for those aliens who are seeking to take over this planet.

YOUR PRESIDENT

Running. . .

(Associated Press-Laserphoto)

This photo of the President of the United States, taken in August, 1979, as he jogs near Dubuque, Iowa, is not a Synthetic, but one of the many Robotoids created by the Russians. (This is Jimmie Carter Robotoid No. 6 and judging by its appearance is about ready for the crematorium at the Russian Embassy in Washington D.C. Robotoids have a life span of only several months before they burn out). For more information on this please refer to the Audio Tapes of Dr. Peter Beter.

HOW TO IDENTIFY THE SYNTHETICS WHO WALK AMONG US

This Awareness indicates that these entities in appearance have, until last year in February (1977) have had certain types of characteristics that could be distinguished—that they showed no Adam's apple; they did not eat in public, for they have no need for food. They used pills, and when caught in a situation whereby they were required to eat, would eat only soup or light salad–a very small amount.

This Awareness indicates that these entities generally had a mottled skin, something like pizza crust. This Awareness indicates these entities often had a walk that was reminiscent of a penquin or duck, a kind of waddle back and forth. These entities as not being able to turn their necks very far and needing to turn their entire body, as though they had a stiff neck.

This Awareness suggests that the information being given presently not being given to allow entities to become paranoid and search out the synthetics in their midst and begin some kind of persecution drive, but as being given to allow entities to understand there is something occurring, and to assist them in being cautious in regard to who they are associated with.

This Awareness indicates that these entities themselves are slaves. The Bigfoot creatures are slaves, and those dwarfs and those entities beneath the ground known as Deros, or detrimental robots, these also are slaves. This Awareness indicates those entities referred to as Men in Black, the MIBS, are also slaves. That all these entities are set up under that entity who has presented himself in the midst of the seat of power known as the Anti-Christ. This Awareness indicates this entity as having control upon this hierarchy system, intent upon gaining power and control of the earth, in order to set up his realms

SYNTHETICS CAN TELEPORT, CAUSE ACCIDENTS, SICKNESS AND DEATH

This Awareness indicates that these entities have great power in terms of physical and occult controls. That these entities have machines which allow them to listen to the thoughts of others, which allow them to teleport; and whereby, even in vehicles, they can hook their teleportation machine to the vehicle and teleport, or disappear, right before the eyes of others. This Awareness indicates these entities have the ability to appear, to materialize, before others. This Awareness indicates that these entities have the ability to create pains and nausea and sickness in others. These entities as often causing accidents and death and illness to those on the surface, particularly when these entities on the surface level become too aware of their activities and become a threat.

This Awareness indicates that this realization and this awareness of these entities can become that which is dangerous to know, until entities have the spiritual awareness which allows them to protect themselves from this kind of psychic force and power that that these entities can emanate.

This Awareness wishes you to understand that these powers these entities use comes from an understanding of the electromagnetic spectrum and the super spectrum. This Awareness suggests that entities read the book by John Keel, called *The Eighth Tower.** This Awareness indicates that in these various vibratory rates there are powers that echo and reflect from one octave to another. This Awareness indicates that the Forces of Hades are using those powers which are of a lower vibratory rate than are those who are working from levels of Celestria. This Awareness indicates those higher vibratory rates have dominion over the lower vibratory rates. This Awareness suggests that those who are attuned to the highest and best cannot be touched, cannot be harmed by those forces which are operating from the lower vibratory rates. This Awareness indicates that they can be aware of those forces. They can feel the vibrations of those lower forces, but they cannot be shaken from their place, or destroyed, or shattered by lower vibratory rates. This Awareness indicates that the only way entities of a higher vibratory rate can be harmed by those of a lower vibratory rate, is if they allow themselves to become frightened, fearful and intimidated to the point of being terrified.

This Awareness suggests that in order to avoid this, this Awareness suggests that entities be cautious, careful, loving, discerning, and protective of that which is the highest and best, and to avoid careless exposure to those areas and forces which can be harmful without having confidence and protection accompanying that exposure.

Walking Through the Valley of the Shadow of Death

This Awareness indicates this as likened unto walking through the valley of the shadow of death and fearing no evil, for thy rod and staff comfort and protect. This Awareness indicates the rod as relating unto powers of the mind—powers of spiritual awareness. These powers as being even more vital than those used by the Alien Force known as Vril sticks. This Awareness indicates in the movie *Star Wars,* those light swords are symbolic of that which is called the Vril stick. The Vril stick as that which contains great psychic powers and has been used by aliens for control.

ED's Note: Awareness pronounces Hades as 'Hay-Dees'

*New American Library, 1301 Avenue of the Americas, N.Y. N.Y. 10019

This Awareness indicates that the entity Adolph Hitler was given his power through the Vril stick of one who worked from lower vibratory rates through the Golden Dawn organization.

This Awareness indicates that there are forces having greater power than the Vril stick, and this greater power is known as love—and love is accompanied by mercy. These two being the highest vibratory rates and having dominion over all other vibratory rates.

This Awareness indicates however, that these forces are still a great threat to entities upon this plane. That this as being a crucial time, for these entitites moving in highly secretive purposes and directions, are working through the banking systems to conquer this planet for its wealth, which has been depleted from their own planets.

This Awareness indicates this battle for conquest of the earth as that which has been in effect for many years, for many centuries—that there are certain restrictions placed upon these aliens as to what they are allowed to do to entities upon this plane. That conquest through persuasion and trickery as permissible by the Intergalactic forces, but conquest by force is denied these entities. This Awareness indicates that if these aliens can take control of the minds of entities upon this plane, they can then gain control of the inhabitants of the earth—and the wealth of the earth.

This Awareness indicates that essentially, these aliens from the area of Orion and those angelic hosts from the Inter-Galactic forces are in conflict, in a conflict which has extended over 500,000 years—that the story of *Star Wars* as having been more true than false. That these forces now as converging upon the planet earth in a kind of alchemical battle that shall result in a reconciliation of the polarities which first began 500,000 years ago.

This Awareness indicates that there are very sinister forces working upon this plane, and within the caverns beneath the surface of the earth. These forces do need to be understood, but these forces must be understood in a manner whereby they may be disarmed, rather than feared. This Awareness suggests that it is possible to change the basic motivation of these aliens, that they may rejoin the ranks of the merciful.

THIS MATERIAL NOW BEING RELEASED AS REQUESTED BY AWARENESS

This Awareness suggests that this information being released at this time could bring down much hostility and violence upon yourselves and the Interpreter, not so much because of the information released, as from the threat that more information may be released and the desire to prevent this information from such release.

This Awareness indicates that those forces generally have the ability to tune in to entities who are getting close to discovering what is occurring, to monitor that which is occurring and to prevent the release of such information. This Awareness indicates in this particular case, this Awareness has thrown up a shield and is causing those who have tuned in to this information release to forget that it has occurred, except for those entities of the Realm of Celestria and those in this room who are working for this Awareness. This Awareness suggests that this information be transcribed, or the tape copied, and that this tape be placed in certain strategic points for release one year from this date, if blocked at this end. This Awareness suggests that once this initial mailing goes out, that these entities then can begin mailing from their own address, if desired, and may solicit a fee for this mailing.
